How We Will Calculate Your Balance: We use a method called "average daily balance (including new purchases)".

Index And When It Is Determined: The Index used to determine your variable APRs is the U.S. Prime Rate shown in the "Money Rates" section of *The Wall Street Journal*. On the last day the rate is published in each calendar month (the "determination date"). The above APRs are based on an Index (Prime Rate) of 3.50% as of the 09/01/2016 determination date. If the Prime Rate is higher or lower on a later determination date, the above APRs may increase or decrease accordingly.

When you become a cardmember, the Index will be effective for the entire billing cycle that ends in the second month after the determination date. For example, if your billing cycle ends in July, we will use the Index determined on the last day the rate is published in *The Wall Street Journal* in May.

APR for Purchases and Balance Transfers: To determine the APR for purchases and balance transfers, we add a margin of 8.74% to 16.74% to the Index (Prime Rate).

APR for Cash Advances: To determine the APR for cash advances, we add a margin of 21.99% to the Index (Prime Rate).

How We Will Calculate Your Minimum Payment: If your New Balance is less than \$35, the minimum payment will be equal to your New Balance. If your New Balance is greater, the minimum payment will be the greater of (a) 2% of the New Balance or \$35, whichever larger; or (b) the current cycle fees and finance charges plus 1% of the New Balance (excluding current cycle fees and finance charges). Your minimum payment will also include any amounts by which your account is overlimit or past due and exclude disputed amounts.

¹ We will begin charging interest on cash advances and balance transfers on the transaction date.

Please Note: Your account generally will have monthly billing cycles, except that your first billing cycle may be more or less than one month. All credit terms, including minimum finance charges, will apply in each billing cycle including the first billing cycle.

You understand that the terms of your account, including APRs, are subject to change. APRs are not guaranteed and they may change. We may also change whether you will be variable or not. **IMPORTANT NOTICE REGARDING CHANGES IN TERMS. We reserve the right to unilaterally change the rates, fees, costs, and other terms any time for any reason. All changes in terms will be subject to the requirements of applicable law.**

Payments on your account may be applied in the order we select, subject to applicable law. Generally, this means that if you make a payment in excess of the required minimum payment, we will apply the excess amount first to your balances with the highest Annual Percentage Rate. Any remaining portion of that excess amount will be applied to your other balances in descending order based on their applicable Annual Percentage Rates.

BALANCE TRANSFERS: You authorize us to make one or more of the balance transfers that you have requested. All balance transfer requests are subject to our approval. We are not liable if we do not make a requested balance transfer. We reserve the right to make balance transfers in the order we select and to limit the amount of the balance transfers that we make (this amount may be less than your total credit limit). If you request an amount that we do not approve, we may process a partial transfer for less than the amount requested or we may decline the entire request. In addition, transfer requests that are incomplete, illegible or requested to cash, to yourself or to another account with us or to one of our affiliates need not be processed. You should not transfer any amount that is in dispute in order to preserve your dispute rights. You should continue to monitor the accounts that you request to transfer balances from and you should continue to pay the minimum payments due on those accounts until you receive statements from those creditors showing that the balances due them have been paid in full. This may not happen until after the balance transfer appears on your billing statement from us. You are liable for any late payments, finance charges or disputed amounts on your other accounts. If you want your other accounts closed following a balance transfer, you are responsible for doing so. Balance transfers are subject to applicable fees and finance charges and do not have the benefit of a grace period.

FOREIGN TRANSACTION FEE: A foreign transaction fee of 3% (identified in the table) will be added to the amount of each foreign transaction, 1% of which will be retained by American Express.

TRAVEL MAXIMUM REWARDS® PROGRAM TERMS AND CONDITIONS SUMMARY

Please read this Terms and Conditions Summary for important information about the Travel Maximum Rewards® Program (the "Program"). First Bankcard®, a division of First National Bank of Omaha, is referred to below as "we," "us," "our" and "First Bankcard." First Bankcard is the issuer of the credit card account(s) ("Account") and is the sponsor of the Program. Complete Program Terms and Conditions will be provided to you when you become an approved Cardmember.

QUALIFYING TRANSACTIONS AND QUALIFICATION PERIOD: "Qualifying Credit Card Transactions" are authorized, new purchases posted to the Account on or after the enrollment date, net of refunds, credits (for returned merchandise or otherwise), and disputed billing items. Points may be deducted for awards based on purchases that are subsequently subject to a refund, credit or dispute. Qualifying Credit Card Transactions do not include: (a) annual fees, finance charges and other fees or charges posted to the Account; (b) cash advances (including but not limited to cash received over the amount of transactions charged to your Account, purchases of money orders or other cash equivalents) or special check transactions; (c) balance transfers; (d) charges for other products, services, or benefits that we provide (such as credit insurance premiums) or other transactions that we determine not to be eligible. We are solely responsible for determining which transactions are eligible for point earnings and our determination is final.

"Qualifying Travel Transactions" are "Qualifying Credit Card Transactions" made at any merchant whose merchant category code ("MCC") is classified by the payment card industry as an Airline (MCC 3000-3299), or "Airlines, Air Carriers (not listed elsewhere)" (MCC 4511), "Lodging?Hotels, Motels, Resorts, Central Reservation Services (not elsewhere classified)" (MCC 7011), "a Hotel and Resort" (MCC 3501-3828), "Cruise Lines" (MCC 4411), "Travel Agencies and Tour Operations" (MCC 4722), "Package Travel Operators (For use in Germany only)" (MCC 4723), "Direct Marketing-Travel Related Arrangements Services" (MCC 5962) or "Car Rental Companies" (MCC 3351-3441).

The MCC is a four-digit code used by the payment card industry to classify a merchant's primary business. You might expect some merchants to be classified into one of the MCCs identified above, but they may not be classified as such. This could affect whether transactions you make with such merchants will qualify as a Qualifying Travel Transaction or Qualifying Credit Card Transaction and, as a result, whether you will earn points on such transactions. We do not assign MCCs to merchants nor are we responsible for confirming or monitoring the MCC assignments made by the payment card networks.

We reserve the right to determine, in our sole discretion, whether any transaction qualifies as a Qualifying Travel Transaction or Qualifying Credit Card Transaction, and our determinations shall be final.

POINTS: We will award you points as follows:

- **2 points** for each \$1.00 in Qualifying Travel Transactions posted to your Account.
- **1 point** for each \$1.00 in Qualifying Credit Card Transactions posted to your Account that is not from a Qualifying Travel Transaction.

Point awards are not earned until they show on the Account statement. We reserve the right to retroactively correct errors made in point awards. Points will expire on or after five years from the date they were awarded. There is no annual fee for the Program and there is no limit to the number of points you can earn; provided, however, there is a limit on the number of bonus points you can earn in connection with certain transactions and/or promotions.

BONUS EARNINGS: In addition to the above, you will earn a \$15 statement credit after the first \$500 in Qualifying Credit Card Transactions are posted to the Account within the first 3 complete, consecutive Billing Cycles after the Account is opened and while the Account is enrolled in the Program. Please allow 6-8 weeks after you qualify for this statement credit for the statement credit to be applied to your credit card account. "Billing Cycle" is the interval between the days or dates of your regular periodic statements whether or not you receive a periodic statement.

Rewards: Once you become a cardmember and if the Account is in good standing, you can redeem points for merchandise, gift cards/certificates, travel, other goods and services and cash back as a credit to the Account (collectively, the "Rewards"). Point redemption may be subject to shipping, handling or other fees. Complete details on Rewards and point redemption are available through our Rewards Service Center and the Rewards website.

If the Account does not remain in good standing, you will not earn future points, cannot redeem points, and could forfeit any accumulated points previously awarded. A program is in good standing when no Triggering Event has occurred under the Cardmember Agreement or no other event has occurred that allows us to require immediate payment of your entire balance under the Cardmember Agreement. Closing the Account (by you or by us) will result in the termination of the Program and any unused accumulated points will be forfeited. We may change or terminate the Program in our discretion at any time with or without prior notice to you.
