

REI MasterCard®

REI MasterCard® Terms and Conditions

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask you for your name, address, date of birth and other information that will allow us to identify you. We may ask to see your driver's license or other identifying documents.

We may change APRs, fees, and other Account terms in the future based on your experience with U.S. Bank National Association and its affiliates as provided under the Cardmember Agreement and applicable law.

We apply your minimum payment to balances with lower APRs first, including promotional APRs. Amounts paid over the minimum payment will be applied in the order of highest to lowest APR balances.

Should your application for the REI World MasterCard be denied, submitting this application constitutes your application for a REI MasterCard, which does not offer the same World MasterCard benefits.

How Variable Interest Rates Are Determined: After the introductory period, your interest rate is a variable rate and is determined by a combination of the Prime Rate (which may vary) added to a margin (which does not change). Because the Prime Rate may vary, your variable interest rate will go up or down if the Prime Rate changes. If you are granted an Account, the following rates on the Account are variable: Non-Introductory Purchase Rate; Non-Introductory Balance Transfer Rate; Cash Advance Rate. More information is available in the Cardmember Agreement.

Notice to California Residents: An applicant, if married, may apply for a separate account.

Notice to Married Wisconsin Residents: No provision of any marital property agreement, unilateral statement under section 766.59 of the Wisconsin statutes or court decree under section 766.70, adversely affects our interest unless we, prior to the time the credit is granted or an open-end credit plan is entered into, are furnished a copy of the agreement, decree or court order, or have actual knowledge of the adverse provision. IF YOU ARE A MARRIED WISCONSIN RESIDENT, CREDIT EXTENDED UNDER THIS ACCOUNT WILL BE INCURRED IN THE INTEREST OF YOUR MARRIAGE OR FAMILY.

Notice to Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

If credit for returned Qualified Non-REI or Non-Grocery Purchases, credits or chargebacks exceed Qualified Non-REI or Non-Grocery Purchases in any billing period, the excess credits will be carried forward into successive billing periods and subtracted from future new Qualified Non-REI or Non-Grocery Purchases to determine the net Qualified Non-REI or Non-Grocery Purchases for those successive periods.
