Payment amounts in excess of your Total Minimum Payment Due will be applied to balances with higher APRs before balances with lower APRs.

Overdraft Protection. Overdraft transfers to your eligible Bank of America checking account from your credit card account will be Bank Cash Advances under your Credit Card Agreement. Transfers will be subject to the terms of both your Credit Card Agreement and the account agreement(s) and disclosures governing your Bank of America checking account. If you link your Bank of America checking account to your credit card for Overdraft Protection, we will automatically transfer funds in multiples of \$100 from your credit card account to cover any overdraft on your checking account, as long as the portion of credit available for cash on your credit card account is sufficient and you are not in default under your Credit Card Agreement. A fee of \$12 will apply for each transaction. The fee will not be assessed if your checking account is overdrawn by a total amount less than \$12, after we finish processing for the day. The Bank Cash Advance will accrue interest at the APR stated in your Credit Card Agreement. If the portion of credit available for cash on your credit card account is insufficient to cover the amount required by the overdraft (in the multiple of funds stated above), we may advance the funds even if it causes your credit card account to exceed your Cash Credit Line. Linking Overdraft Protection from your Bank of America checking account to your credit card will end any Overdraft Protection connections to your Bank of America savings account. Please see your Credit Card Agreement for additional details.

BALANCE TRANSFERS

If the total amount you request exceeds your Total Credit Line, we may send full or partial payment to your creditors in the order you provide them to us. Allow at least 2 weeks from account opening for processing. Continue paying each creditor until the transfer appears as a credit. Balance Transfers incur interest charges from the transaction date. If you revolve your balance to take advantage of a promotional or introductory offer, all transactions and balances, including purchases, will be charged interest. The Balance Transfer fee is 3% of the amount of the transaction (min. \$10). If you have a dispute with a creditor and pay that balance by transferring it to your new account, you may lose certain dispute rights. Balance Transfers may not be used to pay off or pay down any account issued by Bank of America, N.A., FIA Card Services, or its affiliates.
