**How We Will Calculate Your Balance:** We use a method called "Average Daily Balance (including new transactions)". See Section 3 of your Cardholder Agreement for more details.

**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your Cardholder Agreement.

**Current Rates on the Account:** The Daily Periodic Rate for standard purchases would have been **0.0079429%** (which corresponds to an **APR of 28.99%**). The Penalty Daily Periodic Rate would have been **0.0079429%** (which corresponds to an **APR of 28.99%**).

### YOUR CARDHOLDER AGREEMENT WITH US

In this Cardholder Agreement (the "Agreement") "your" and "yours" mean the borrower(s) and "we," "us" and "Bank" mean TD Bank, N.A., the issuer of your credit card (the "Card"). All extensions of credit in connection with the credit card account (the "Account") are made by the Bank. This Agreement establishes the terms of the Account and should be retained for your records. By signing for your first purchase, keeping or otherwise accepting the Card or Account, you agree to the terms and conditions of the Agreement. This Agreement means this document and the Account Summary Table, and any changes we make to these documents, from time to time.

**1. Your Promise to Pay and How to Use Your Account:** You (and any person you have designated to us as an authorized user ("Authorized User") must sign the Card to use it. You will be liable for all use of the Card or the Account by you or by any person with actual, implied, or apparent authority to act for you or to use the Card or the Account, including but not limited to any Authorized User. Any such use will constitute acceptance of all the terms and conditions of this Agreement, even though this Agreement is not signed.

You authorize us to pay and charge your Account for any and all purchases resulting from the use of the Card or the Account (each a "Purchase"). You promise to pay us (in U.S. Dollars drawn on U.S. banks) as required by this Agreement for all of these Purchases, plus interest charges and all other fees and charges owed under this Agreement (including, without limitation, all Purchases made or used by an Authorized User).

Use of the Card or Account may include physical use, orders by mail or telephone, computer or other electronic transactions made without presenting the Card, or any other circumstance where you authorize a charge or authorize someone else to make a charge to the Account. You agree to use the Card and the Account only for your own lawful personal, family or household purposes. You agree that you and each Authorized User will not use the Card or the Account for any business or commercial purposes or for any unlawful or illegal purposes. Such unlawful or illegal transactions include, but are not limited to, online gambling transactions, and any betting transactions that are illegal under applicable law including the purchase of lottery tickets or casino chips, or off-track betting and wagering. We reserve the right to block all such transactions. However, in the event that a charge or transaction described in this disclosure is approved and processed, you will still be liable for the charge to the fullest extent permitted by applicable law. If this is a joint account, we may require that you pay the full amount owed without first asking any other person to pay.

**2. About the Promotional Offers that Might be Available to You:**

**a. Generally:** Notwithstanding any other provisions of this Agreement, we may occasionally, at our option, make certain promotional offers available for certain types of Purchases ("Promotional Offers"). Details of the Promotional Offer will be described in the specific offer. Features of Promotional Offers may include, among other things, interest-free periods; deferral and forgiveness of interest if a purchase is paid in full within the promotional period (and any other conditions are satisfied); reduced interest rates; and/or special payment terms, including payments higher than otherwise required. The benefits of Promotional Offers may be contingent upon payment of your Account in accordance with this Agreement and/or the Promotional Offers. Information about Promotional Offers will be shown separately on your monthly billing statement ("Statement") as long as the Promotional Offer is in effect. Once the Promotional Term has expired or been revoked (in the event of a delinquency) the remaining balances under any Promotional Offer may be combined with balances under the standard Purchase APR. If you use your Account with a Promotional Offer, you acknowledge and agree that the specific terms of the Promotional Offer will modify and become part of this Agreement, and all other terms and conditions of this Agreement will apply to the Promotional Offer. The standard provisions of this

Agreement apply to all transactions not subject to a Promotional Offer. **Subject to applicable law, we may condition any Promotional Offer on your compliance with the specified requirements and may revoke and/or end any Promotional Offer, or not permit you to participate in additional Promotional Offers, if any required minimum payment is 60 days past due.**

**b. Promotional Offers that May be Available to You:** If a Promotional Offer is available at the time of your purchase, you will receive information at that time regarding the terms of the offer. **There may be certain required minimum purchase amounts that must be met for a purchase to be eligible to be financed on a given Promotional Offer.** There also may be other restrictions. The specific terms of the type of Promotional Offers that we may make available to you for certain transactions from time to time are as set forth below in this Section 2; provided, however, that such terms may be modified or supplemented by the terms set forth on or with the sales receipt that you receive at the time of the purchase.

**c. Examples of Promotional Offers that May be Available:**

**Promotional Offers with Deferred Interest and with Standard Payment Terms:** For this type of Promotional Offer, deferred interest charges are computed at the APR for standard Purchases (listed in the Interest Rates and Interest Charges section of the Account Summary Table (the "table of Interest Rates and Interest Charges")) from the date of purchase until the end of the promotional period. If on-time payments on the Account have been made during the promotional period and the promotional Purchase balance is paid in full within the promotional period, the deferred interest charges are waived.

If the promotional purchase balance is not paid in full by the promotional expiration date the total amount of deferred interest charges will be assessed to your Account. If your Account becomes 60 days past due, your Promotional Offer will be revoked and the total amount of deferred interest charges will be assessed to your Account. In either event, after the Promotional Offer period has expired or been revoked, interest will continue to be charged on the remaining balance (and any deferred interest assessed) at the then current standard APR for Purchases (or at the Penalty APR if applicable), listed in the table of Interest Rates and Interest Charges, on any remaining balance until paid in full.

For this type of Promotional Offer, the minimum payment relating to the promotional balance is calculated in accordance with Section 5 of this Agreement. **If you only make minimum monthly payments during the term of this Promotional Offer you will not pay off the promotional balance at the end of the promotional period and deferred interest will be assessed. Payments above the minimum amount due on your Statement are required pay off the promotional balance to avoid paying the deferred interest.** The Promotional Offer period for this type of offer will generally be for 6 or 12 months.

**Promotional Offers with a 0% APR and with an Equal Number of Payments Term:** For this type of Promotional Offer, the APR for Purchases will be 0% from the date of the purchase until the end of the promotional period. Your Promotional Offer will be revoked if your Account becomes 60 days past due ("Delinquency"). If there is a remaining balance at the end of the promotional period, or if the Promotional Offer ends as a result of Delinquency, interest will be charged at the then current APR for standard Purchases (or Penalty APR if applicable), listed in the table of Interest Rates and Interest Charges, on any remaining balance until paid in full.

For this type of Promotional Offer, the minimum payment on the promotional balance will, during the term of this Promotional Offer, equal the amount of the purchase (plus any Promotional Fee that may have been assessed) divided by the number of months in the promotional period. This amount is then rounded up to the nearest dollar. After the Promotional Offer has expired, if there is a remaining balance, the minimum payment will be calculated in accordance with Section 5 of this Agreement. The Promotional Offer period for this type of offer will generally be for 24, 36, 48 or 60 months.

**3. How We Calculate the Interest Charges on Your Account:**

**a. Interest and any Minimum Interest Charges:** Each billing cycle, we separately determine the interest charges on standard Purchases and each separate kind of promotional Purchase (each, a "Type of Balance"). For each Type of Balance, we determine interest charges each billing cycle by multiplying the Balance Subject to Interest Rate by the applicable Daily Periodic Rate (see Section 4 for Interest Rate information) and by then multiplying the result by the number of days in the billing cycle. For each Type of Balance, the Balance Subject to Interest Rate is the average daily balance (including new transactions), as calculated pursuant to Section 3.b. below. To get the total interest charges each billing cycle, we add together the interest charges for all Type of Balances. If you are charged interest in a billing cycle, we will charge a Minimum Interest Charge (or "Minimum Charge") on your Account if the total interest charge in that billing cycle is less than \$2.00. If a minimum interest charge is assessed on your Account in a billing cycle, it will appear on your Statement as a "Minimum Charge" and will be included in the "Total Fees for this Billing Period" section on your Statement.

**b. How We Will Calculate Interest on Your Account:** We use a method called "Average Daily Balance (including new transactions)" to compute the interest charge. For each Type of Balance, the Balance Subject to Interest Rate is the total of the closing daily balances for such Type of Balance for all the days in the billing cycle (treating any negative balance as \$0), divided by the number of days in such cycle. Generally, the closing daily balance for each Type of Balance equals the balance at the beginning of the day, plus any new transactions of the same Type of Balance and less any payments applied to such transactions. At the beginning of each billing cycle, the closing daily balance for each Type of Balance will also include any applicable interest charges and fees carried over from the immediately preceding billing cycle; and the standard Purchase balance will include any remaining unpaid promotional balance (which will also include any interest charges that may have been assessed on the unpaid promotional balance) from a promotional offer that ended on the last day of the immediately preceding billing cycle.

**c. How Interest Accrues and How to Avoid Paying Interest on Purchases:** On each Purchase, interest begins to accrue on the transaction date. Generally, you can avoid paying interest on standard Purchases in any given billing cycle if you pay your entire statement closing date balance (identified on your Statement as the "New Balance") for that billing cycle in full by the Payment Due Date reflected on that Statement.

If you have a promotional balance(s) on your Account, you may still be able to avoid paying interest on standard Purchases provided you pay by the Payment Due Date, the amount that equals the required Minimum Payment Due for that billing cycle plus the total outstanding standard Purchase balance as of the first day of that billing cycle.

For each Type of Balance that is a separate kind of promotional Purchase, please see Section 2 of this Agreement for more information about how to avoid paying interest on these transactions.

**d. Treatment of Late Fees and Returned Payment Fees:** We do not charge interest on Late Fees or Returned Payment Fees.

**4. The Interest Rates on your Account:**

**a. Generally:** The "Annual Percentage Rate" or "APR" is the annual rate of interest charged on Account balances. In connection with a special promotion we may charge a reduced promotional rate of interest (which could be as low as a 0% APR). The Daily Periodic Rate will equal the APR divided by 365.

**b. What Will Happen to Your APR if You Pay Late (Penalty APR):** If any required minimum payment is more than 60 days past due, we may, in our discretion, increase the APR on all new and existing balances on the Account, up to the maximum Penalty APR (see the table of Interest Rates and Interest Charges for the Penalty APR). We may also, in our discretion, end any Promotional Offer(s). The Penalty APR will apply until you make six consecutive monthly minimum payments when due. **While the Penalty APR is in effect on your Account you will not be eligible to participate in any new Promotional Offers.** We may or may not impose the Penalty APR under the circumstances described above, without losing any of our rights under this Agreement or under applicable law.

**5. A Minimum Payment is Due Each Month:** Each billing cycle you agree to pay at least the minimum payment due by the payment due date shown on your monthly Statement (the "Minimum Payment Due"). Each Minimum Payment Due will be the same day of each month ("Payment Due Date") as reflected on the Statement (which will be at least 25 days after your statement date (the "Statement Closing Date")).

The Minimum Payment Due will be calculated as follows:

- (1) 3.5% of the outstanding balance for each Type of Balance (including interest charges assessed for each applicable Type of Balance) rounded up to the nearest dollar; plus
- (2) any applicable fees and charges (except interest charges) assessed in the particular billing cycle; plus
- (3) any past due amount.

This amount is then rounded up to the nearest dollar. However, we may adjust the rules for computing the minimum payment due in connection with any promotional transaction, as disclosed in the Section 2 of this Agreement).

Credits, adjustments, refunds and similar Account transactions may not be used in place of payment of any portion of a required minimum payment. If you pay ahead by paying more than the Minimum Payment Due in one billing cycle, you will not be excused from paying the Minimum Payment Due in subsequent billing cycles.

**6. If You Pay Late You Will be Assessed a Late Fee:** The first time a Minimum Payment Due is not received by the Payment Due Date on the Statement, we may charge you a late fee of an amount equal to the Minimum Payment Due or \$25, whichever is less. If over the next six billing cycles, the Minimum Payment Due is not received by the Payment Due Date on the Statement, we will charge you a late fee of an amount equal to the Minimum Payment Due or \$35, whichever is less. You understand and agree that at our option, such late fee will be immediately due and payable.

**7. If a Payment is Returned You Will be Assessed a Returned Payment Fee:** The first time you pay with a check and your check is returned to us by your financial institution unpaid or dishonored, we may charge you a returned payment fee of an amount equal to the Minimum Payment Due or \$25, whichever is less. If over the next six billing cycles, you pay with a check and your check is returned to us by your financial institution unpaid or dishonored, we will charge you a returned payment fee of an amount equal to the Minimum Payment Due or \$35, whichever is less. You understand and agree that at our option, such returned payment fee will be immediately due and payable.

**8. Administrative Fees:** If you request a copy of a Statement or sales draft or payment check, you will pay a fee so long as it is not prohibited by applicable law. The amount of the fee will be disclosed at the time you request this optional service. However, you will not be charged for copies of billing Statements, sales drafts, or other documents that you request for a billing error/inquiry you may assert under applicable law.

**9. Your Credit Limit:**

**a. Generally:** Your initial credit limit for the Account is shown in the materials that accompany the Card(s) we send to you when your Account is opened. Your current credit limit for the Account will be shown on your Statement. You also may telephone Customer Service at 1-888-925-0708 to find out what your current credit limit is.

**b. Changes to Your Credit Limit:** In our discretion, at any time, subject to applicable law, we may increase or decrease the credit limit that applies to your Account without providing prior notice to you. We will provide notification of any such change by mail and your credit limit will be listed on the Statement. You may ask us to change your credit limit by contacting Customer Service at 1-888-925-0708. We do not have to agree to any such request.

**c. Going Over Your Credit Limit:** You agree to not go over your credit limit. You also agree that the Bank may permit you to go over your limit, but is not required to do so. If your Account goes over your credit limit, you agree to pay the over limit amount when it is billed to you, or sooner upon our request. If we permit you to exceed your credit limit, we will not have waived any of our rights under this Agreement, and we do not have to allow you to exceed your credit limit at a later date.

**10. Your Monthly Billing Statements:** We will send a Statement to the address on our records each month if required by applicable law.

**11. How Your Payments Are Applied to Your Account Balance:** Subject to the following and applicable law, payments will generally be applied first to the oldest Purchases.

**a. How the Minimum Payment is Applied to Your Account:** We will generally apply your Minimum Payment Due in the following order: (i) to interest charges and other fees; (ii) to purchase transactions with the lowest Daily Periodic Rates and corresponding APRs.

**b. Application of Payments in Excess of Minimum Payment.** We will generally apply payments and credits in excess of the Minimum Payment Due in the following order: (i) to purchase transactions with the highest Daily Periodic Rates and corresponding APRs; (ii) to purchase transactions with the lowest Daily Periodic Rates and corresponding APRs; and (iii) to interest charges and other fees.

**c. Application of Payments during a Deferred Interest Promotional Offer Period:** If you have one or more deferred interest Promotional Offer on your Account (where you were told that no interest would be assessed if you paid the promotional balance in full by the end of the promotional period), payments will be applied differently during the last two billing cycles before the expiration of the deferred interest promotional plan to help ensure that as much of the outstanding balance as possible is repaid by the end of the promotional period. We will apply any payments in excess of the Minimum Payment Due to the promotional plan balance. If more than one promotional offer is expiring when a payment in excess of the Minimum Payment Due is received, we may apply the payment in any manner permitted by applicable law. See Section 2 of this Agreement, as well as disclosures provided to you at the time of the deferred interest offer for more information on this type of promotional offer.

**12. How You Can Make Payments on Your Account: YOU MAY AT ANY TIME PAY OFF THE FULL UNPAID BALANCE OR PART OF THE UNPAID BALANCE UNDER THIS AGREEMENT.** For purposes of this Section 12, the term "business day of the Bank" or "business day" means Monday through Saturday (excluding bank holidays).

**a. Payments by Mail:** Payments must be sent to the address designated on the Statement. Payments received at such address with the return portion of the Statement by 5:00 PM Eastern Time on a business day will be credited on the day of receipt. However, if the payment due date falls on a day when we do not accept payments, we will not treat any payment as late if we receive it by 5:00 PM Eastern Time on the following business day. Payments received after 5:00 PM Eastern Time Monday through Saturday (excluding bank holidays) will be credited on the next business day.

There may be a five (5) day delay of crediting if payments are not received in U.S. dollars, not made in the envelope provided with the Statement and accompanied by the payment stub which is part of the Statement, and/or not received at the address for payments designated on the Statement. You will need to allow up to seven (7) days for the U.S. Postal Service to deliver your payment. Payments must be made by check or money order payable in U.S. funds and drawn on a financial institution located within the United States. We do not accept payments on this Account at our branches.

**Your available credit may not be immediately increased by the amount of your payment for up to seven (7) days to ensure we collect the funds from the bank on which your payment is drawn.** If you overpay or if there is a credit balance on your Account, you will not be paid interest on that amount.

**b. Automated Touch-Tone Bill Payment:** By calling us at 1-888-382-6665 and using the automated touch-tone bill payment service, you may authorize us or our agent to automatically initiate a single entry ACH debit to your checking account. You will be required to enter your account number and zip code for authentication purposes. By using this service, you authorize your financial institution to accept these debits and charge them to your checking account. Payments arranged by 5:00 PM Eastern Time on a business day of the Bank will be credited on a same-day basis. Payments arranged after 5:00 PM Eastern Time on a business day or on a non-business day will be credited on the next business day. This is a secure system, and your financial institution information will not be shared for any reason other than for automated payments.

**c. Same Day Telephone Payments:** You may also call us and arrange for an expedited payment through a customer service representative. By doing so, you will authorize us or our agent to automatically initiate a single entry ACH debit to your checking account and will authorize your financial institution to accept these debits and charge them to your checking account. Payments arranged by 5:00 PM Eastern Time on business days will be credited on a same-day basis and payments arranged after 5:00 PM Eastern Time on a business day or on a non-business day will be credited on the next business day.

**d. Electronic Fund Transfer:** If you utilize a check to make payment on this Account, you authorize us to either use the information from the check to make a one-time electronic fund transfer from your checking or deposit account or to process the payment as a check transaction. When we use the information from your check to make an electronic fund transfer, the funds may be withdrawn from your checking or deposit account as soon as the same day you make the payment and you understand you may not receive the check back from your financial institutions.

**13. If Your Payment is Returned Unpaid:** If a payment you make is not honored by your bank and it has already been credited by us to your Account, we will reverse the credit and add the amount of the payment back to the Account as of the day the payment was first credited to the Account.

**14. Irregular Payment and Delay in Enforcement:** We may accept late payments, partial payments, check and money orders marked "Paid in Full" or language having the same effect without losing any of our rights under this Agreement. We can also delay enforcing our rights under this Agreement any number of times without losing them. If we at any time honor a purchase in excess of your maximum credit limit, we are not obligated to do so at any other time.

**15. If You Have a Credit Balance:** We will make a good faith effort to return to you any credit balance on your Account over \$1.00 if the credit balance has been on your Account longer than six (6) months (or, in our discretion, for a shorter time period). You may also request a refund of a credit balance on your Account at any time, by sending your request to Customer Service at P.O. Box 731 Mahwah, New Jersey 07430, by first class mail, postage prepaid. We may reduce the amount of any credit balance on your Account by applying the credit balance towards new fees and charges posted to your Account.

**16. Purchases Made by Your Authorized Users:** We may allow you to have Authorized Users who may use your Account. When you allow an Authorized User to use your account, you will be liable for all transactions made by the person, including transactions for which you may not have intended to be liable, and even if the amount of liability causes you to exceed your credit limit. You must notify us at the telephone number on the back of your Card to revoke your permission to allow an Authorized User to use your Card or Account. Until you revoke your permission, you remain responsible for all charges made by the Authorized User, even if you did not intend to be liable.

**17. Entire Agreement:** You agree that this Agreement (as amended and supplemented from time to time), including the Account Summary Table, and the application constitute the final expression of the agreement between you and us and that this Agreement may not be contradicted by evidence of any prior, contemporaneous or subsequent oral agreement between you and us regarding your Account. The retail store and its employees have no authority to change, add to or explain the terms of this Agreement except to provide you with our Promotional Offers. For more information or questions, call 1-888-925-0708.

**18. If You Default on This Agreement:** You agree that you will be in default, and we will not be obligated to honor any attempted use of your Account (even if we do not give you advance notice) if any of the following events occurs:

- We do not receive a required minimum payment by 5 p.m., Eastern Time, on the Payment Due Date, accompanied by your Statement's payment stub (if mailed), or we do not receive any other payment required by this Agreement when such payment is due.
- You exceed the credit limit.
- You die or are declared legally incompetent or incapable of managing your affairs, become insolvent, file for bankruptcy, or otherwise become the subject of a bankruptcy petition or filing.
- You give us false or misleading information at any time in connection with your Account.
- You send us a check or similar instrument that is returned to you unpaid, or any automatic, electronic or other payment on your Account cannot be processed or is returned unpaid, for any reason, within the last six (6) billing cycles.
- You breach or otherwise fail to comply with any term or condition of this Agreement.
- We have reason to suspect that you or any Authorized User may have engaged or participated in any unusual, suspicious, fraudulent, or illegal activity on your Account.
- You do not give us any updated information about your finances, employment, or any other information we may reasonably request, promptly after the request.

Upon default: (a) we will not be obligated to honor any attempted use of your Account (even if we do not give you advance notice); (b) we may require you to pay at once all or any portion of the balance outstanding under the Account; and (c) we may exercise any right provided by this Agreement or applicable law.

**19. Your Liability for Unauthorized Use:** If your Card is lost or stolen or if you believe someone may have used your Account without your permission, you must notify us at once. You may be liable for the unauthorized use of your Account. You will not be liable for unauthorized use that occurs after you notify us by writing to P.O. Box 731 Mahwah, New Jersey 07430 or verbally by calling 1-888-925-0708, of the loss or theft of the Card or the possible unauthorized use of the Account. Your maximum liability is \$50. Subject to any restrictions of applicable law, we may terminate or limit access to your Account if you have notified us or we have determined that your Card may have been lost or stolen, or that there may be unauthorized access to your Account.

**20. Closing Your Account:**

**a. We May Close your Account at Any Time:** We may without prior notice suspend or close your Account to new transactions at any time, for any reason, including but not limited to a change to your creditworthiness or Account inactivity. If we suspend or close your Account to new transactions, you agree to pay us all amounts you owe under this Agreement (including any future interest charges or fees), under the terms and conditions of this Agreement, and you agree that we are not liable to you for any consequences resulting from closing your Account. If you are in default, we may close your Account and require you to pay us the entire amount owed under this Agreement if full, immediately. We may also increase the dollar amount of your minimum payment, subject to applicable law. If we close your Account to new transactions, you must immediately destroy all Cards and other Account access devices (cut, tear, or otherwise deliberately damaged the devices to prevent unauthorized use by third parties).

**b. You May Ask Us to Close Your Account:** You may ask us to close your Account to new transactions at any time, by notifying Customer Service at P.O. Box 731 Mahwah, New Jersey 07430, by first class mail, postage prepaid, and returning all Cards and other Account access devices to us (cut, torn, or otherwise deliberately damaged to prevent unauthorized use by third parties) with your written notice or contacting us at 1-888-925-0708. If you request to close your Account by phone, we reserve the right to require a written notice from you. You also agree to stop using the Account immediately after you notify us that you want to close your Account to new transactions.

**21. The Address on Your Account and Our Notices to You:** Billing statements and notices will be sent to the address shown in our files, and you will promptly inform us of any change in your email address or your mailing address. You may change your address by writing to us at Customer Service, P.O. Box 731 Mahwah, New Jersey 07430 or by calling us at the number on the back of your Card. We may in our discretion accept changes to your mailing address from the U.S. Postal Service. If this is a joint Account, we may send billing statements and notices to either of you.

**22. Our Rights Continue:** Any failure or delay in exercising any of our rights under the Agreement will not preclude us from later exercising those rights.

**23. Changing This Agreement:** Subject to applicable law, we may change this Agreement at any time or from time to time. For example, we may change the addresses and telephone numbers you should use to contact us, change fees, add new fees, change the interest rates or rate formulas that apply to your Account, increase your minimum payment due or add, delete or modify non-economic terms. We will notify you of changes to this Agreement as required by applicable law. Any change, including any increase or decrease in the APRs on your Account, will become effective at the time stated in our notice and will apply to those balances, including new transactions, on your Account as described in our notice. We will mail any required change in terms notice to the then-current address we have on file for your Account.

**24. Your Credit Performance:** Your Account was established based upon criteria reflecting your particular credit history, and we will from time to time review your credit performance. If you do not maintain your past level of credit performance, we may change some or all of your Account terms and we will notify you as to such changes in accordance with applicable law.

**25. Your Credit Information and Your Credit Report;** You authorize us to obtain credit reports in connection with this Agreement and from time to time in connection with the review of your Account, or any update, extension or renewals of your Account, and for the purposes of collection of your Account. You authorize us to verify with others any information and to provide information about our transactions with you to third parties (including consumer reporting agencies, merchants and other lenders) for lawful purposes. **YOU UNDERSTAND WE MAY REPORT INFORMATION ABOUT YOUR ACCOUNT TO CREDIT BUREAUS. SUBJECT TO APPLICABLE LAW, LATE PAYMENTS, MISSED PAYMENTS, OR OTHER DEFAULTS ON YOUR ACCOUNT MAY BE REFLECTED IN YOUR CREDIT REPORT.**

**26. How to Dispute Credit Reports Regarding Your Account:** If you think the information we furnished to consumer reporting agencies on the Account is not accurate, you should write us at P.O. Box 731, Mahwah, NJ 07430 Attn: Credit Report Dispute. You may experience a delay if you do not write to this address. In order for us to investigate your dispute, you will need to provide us with your name, address, and telephone number; the Account number you are disputing; and why you believe there is an inaccuracy. We will complete any investigation and notify you of our findings and, if necessary, corrections. You understand that calling us will not preserve your rights.

**27. Your Authorization for Automatic Dialing and Monitoring/Recording of Calls:** Telephone calls may be made to you using an automatic dialing-announcing device. Your telephone conversations with employees or agents of ours may be monitored and/or recorded. We also may monitor and record mail or conversations on our Websites between you and us and you and our agents, whether initiated by you or us or our agents. Use of your Account will signify your consent to such use of an automatic dialing announcing device, monitoring, and/or recording.

**28. Telephone Numbers We May Use to Contact You.** When you give us your mobile phone number, we have your permission to contact you at that number about all of your TD Bank accounts. Your consent allows us to use text messaging, artificial or pre-recorded voice messages and automatic dialing technology for informational and account service calls, but not for telemarketing or sales calls. It may include contact from companies working on our behalf to service your accounts. Message and data rates may apply. You may contact us anytime to change these preferences.

**29. Assignment.** We may at any time assign or sell this Account, any sums due on this Account, this Agreement, or your rights or obligations under this Agreement. Any person(s) to whom we make any such assignment or sale shall be entitled to all of our rights under this Agreement, to the extent assigned.

**30. Governing Law: Applicable federal law and the substantive laws of the State of Delaware (to the extent not preempted by federal law) without regard to principles of conflict of law or choice of law, shall govern this Agreement including the rate of interest and fees.**

**31. Your Consent to Receive Electronic Disclosures.** If you applied for this Account electronically, you agreed that any and all account opening disclosures and/or notices required by applicable law and regulation may be delivered to you electronically, so long as you have not withdrawn consent. Other documents that we may make available to you electronically from time to time, and after we have obtained your consent, include but are not limited to disclosures required by the Federal Truth in Lending Act, notices or disclosures required by the Equal Credit Opportunity Act or Fair Credit Reporting Act, privacy notices, changes in terms, account statements, and any other notices required by federal or state law to be provided to you in writing.

You may request a paper copy of any notice you receive electronically and any required notice will be provided at no charge to you. ### **YOUR BILLING RIGHTS: KEEP THIS DOCUMENT FOR FUTURE USE**

This notice tells you about your rights and our responsibilities under the Federal Credit Billing Act.

#### **What To Do If You Find a Mistake on Your Statement**

If you think there is an error on your statement, write to us at: Customer Service at P.O. Box 731 Mahwah, New Jersey 07430

**In your letter, give us the following information:**

- Account Information: Your Name and Account number.
- Dollar Amount: The dollar amount of the suspected error.
- Description of the problem: If you think there is an error on your bill, describe what you believe is wrong and why you believe it is a mistake.

**You must contact us:**

- Within 60 days after the error appeared on your statement.
- At least 3 business days before an automated payment is scheduled, if you want to stop payment on the amount you think is wrong.

You must notify us of any potential errors in writing. You may call us, but if you do we are not required to investigate any potential errors and you may have to pay the amount in question.

#### **What Will Happen After We Receive Your Letter**

**When we receive your letter, we must do two things:**

1. Within 30 days of receiving your letter, we must tell you that we received your letter. We will also tell you if we have already corrected the error.
2. Within 90 days of receiving your letter, we must either correct the error or explain why we believe the bill is correct.

**While we investigate whether or not there has been an error:**

- We cannot try to collect the amount in question, or report you as delinquent on that amount.
- The charge in question may remain on your statement, and we may continue to charge you interest on that amount.
- While you do not have to pay the amount in question, you are responsible for the remainder of your balance.
- We can apply any unpaid amount against your credit limit.

After we finish our investigation, one of two things will happen:

- **If we made a mistake:** You will not have to pay the amount in question or any interest or other fees related to that amount.
- **If we do not believe there was a mistake:** You will have to pay the amount in question, along with applicable interest and fees. We will send you a statement of the amount you owe and the date payment is due. We may then report you as delinquent if you do not pay the amount we think you owe.

If you receive our explanation but still believe your bill is wrong, you must write to us within 10 days telling us that you still refuse to pay. If you do so, we cannot report you as delinquent without also reporting that you are questioning your bill. We must tell you the name of anyone to whom we reported you as delinquent, and we must let those organizations know when the matter has been settled between us.

If we don't follow all of the rules above, you do not have to pay the first \$50 of the amount you question even if your bill is correct.

### **Your Rights If You Are Dissatisfied With Your Credit Card Purchases**

If you are dissatisfied with the goods or services that you have purchased with your credit card, and you have tried in good faith to correct the problem with the merchant, you may have the right not to pay the remaining amount due on the purchase.

To use this right, all of the following must be true:

1. The purchase must have been made in your home state or within 100 miles of your current mailing address, and the purchase price must have been more than \$50. (Note: Neither of these are necessary if your purchase was based on an advertisement we mailed to you, or if we own the company that sold you the goods or services.)
2. You must have used your credit card for the purchase. Purchases made with cash advances from an ATM or with a check that accesses your credit card account do not qualify.
3. You must not yet have fully paid for the purchase.

If all of the criteria above are met and you are still dissatisfied with the purchase, contact us in writing at: Customer Service at P.O. Box 731 Mahwah, New Jersey 07430

While we investigate, the same rules apply to the disputed amount as discussed above. After we finish our investigation, we will tell you our decision. At that point, if we think you owe an amount and you do not pay, we may report you as delinquent.

## **ADDITIONAL INFORMATION ABOUT OUR FINANCING OFFERS**

### **What types of financing plans might be available to me if I am approved for an account?**

There are a few different types of financing plans that allow you to repay your qualifying purchase amount over time. Financing plans with a reduced APR or that have special repayment terms that allow you to pay the balance off by the end of the promotional offer term are what we refer to as promotional offers. The promotional offers that are made available at a given point in time are based on the types of merchandise or specials on merchandise that Raymour and Flanigan may have available. This means that not all of the plans may be available to you at the time of your purchase. **Certain promotional offers may also require a minimum purchase amount in order for the purchase to qualify for the promotional offer.** If your purchase is not eligible for the promotional offer, or if no promotional offer is available at the time of your purchase, you may still use your credit card account to finance your purchase at the standard APR on the account.

Generally, the types of financing plans\* that may be made available include:

- **Deferred Interest**
- **0% APR Equal Payments**
- **Standard Purchase APR**

\*The actual terms of any particular financing offer may vary.

### **Types of Financing**

#### **1. Deferred Interest Offers**

##### **What is a deferred interest promotional offer?**

This is a financing option that lets you make eligible purchases with the opportunity to repay the purchase amount over time and pay no interest on those balances. Interest will accrue from the purchase date but will be deferred until the end of the promotional period. You can avoid paying the deferred interest on those purchases only if you make timely monthly payments during the promotional period and you pay the entire remaining purchase balance before the promotional period ends.

##### **How does a deferred interest promotional offer work?**

When you make a purchase that qualifies for a deferred interest promotional offer, interest charges begin to accrue from the date that you make your purchase at the standard APR for Purchases (please see the Account Summary Table for this information). You will see the amount of deferred interest that is accruing on your statement each month.

- If you pay off the purchase before the end of the promotional period (and all your monthly payments have been timely made) you will not pay the deferred interest that has been accruing.
- If you do not pay off your purchase by the end of the promotional period, you will be billed all of the deferred interest that has accrued from the original purchase date.

Each month your billing statement will show your promotional expiration date, the amount of deferred interest that has accrued, and the outstanding balance.

##### **Are monthly payments required for a deferred interest promotional offer?**

Yes. You must make at least the minimum payment reflected on your billing statement every month to avoid late fees.

- The minimum payment on deferred interest promotional offers will not repay the entire promotional balance before the end of the promotional period which means you must make larger payments in order to pay off the balance on time and avoid accrued interest charges.

Not making timely payments on your account may also cause you to lose the promotional offer and the interest that has been accruing since the purchase date may be billed to your account. Also, if your account is delinquent, the interest rate on your account for all transactions (including promotional balances) could also increase up to the Penalty APR.

##### **What if I pay more than my minimum payment amount each month?**

Generally, monthly payments in excess of the minimum payment due are first applied to account balances that have the highest APR (and not to your deferred interest promotional balance) so that these balances can be repaid more quickly.

However, during the last two months before the expiration of your deferred interest promotional offer, payments you make that are more than the minimum payment due, will be applied to your remaining deferred interest balance to help you pay off this balance on time.

If you are in your last month of your deferred interest promotional offer, and you have other balances on your account, you will need to pay the required minimum payment due on your account, plus the remaining amount of the deferred interest promotional balance in order to pay your deferred interest promotional balance in full by the expiration date of the promotional offer; just paying the deferred interest amount without the additional minimum payment amount will not pay the promotional balance in full and the deferred interest will be billed to your account.

#### **2. 0% APR Equal Payment Offers**

**What is a 0% APR equal payment promotional offer?**

This is a financing option that offers a 0% APR during the promotional term and the monthly payment amounts for this offer are generally calculated to pay off the promotional amount over the promotional term as long as you make on-time payments each month during the promotional offer term.

**How does a 0%APR equal payment promotional offer work?**

When you make a purchase that qualifies for the equal payment offer, the amount of the eligible purchase and the promotional fee, if any, are added together and divided by the number of months in the promotional offer. The resulting amount is your monthly payment for the promotional balance which will be added to the monthly payments for any other promotional or non-promotional balance on your account. This will give you your required minimum monthly payment amount each month.

- If the minimum monthly payment amount is paid timely each month, the entire promotional balance will be repaid by the end of the promotional period.
- If you do not repay the entire promotional balance by the end of the promotional period, you will be assessed interest on the remaining balance at the then-current APR on your account for standard purchases until the balance is paid in full.

Other transactions, including fees and other charges, and making late or missing payments may affect your overall monthly payment amount.

**What happens if I miss a monthly payment or do not pay at least the required minimum payment on this promotional offer?**

The minimum payments on this plan are designed to pay off your balance by the end of the promotional offer as long as you make on-time payments each month. If you don't, then your promotional balance may not be paid in full and any remaining balance will accrue interest at the standard APR for purchases. Not making minimum or timely payments on your account may also cause you to lose the promotional offer. If your account is delinquent, the interest rate on your account for all transactions could also increase up to the Penalty APR.

**3. Standard Purchase APR****What if my purchase is not eligible for the promotional offer?**

Your purchase may not be eligible for a promotional offer because it is an amount that is less than the minimum purchase required to qualify for the offer or it may be a type of purchase that is specifically excluded from the promotion. You may still be able to finance the purchase using your credit card; however, the Standard Purchase APR on your account would apply. If your account becomes delinquent, this APR may be increased to the Penalty APR on the account. Please see the Interest Rates and Interest Charges section of the *Account Summary Table* for the current APR for Standard Purchases and the current Penalty APR.

**What if the store has no promotional financing plans available at the time of my purchase?**

You may still be able to finance the purchase using your credit card; however, the Standard Purchase APR on your account would apply. Please see the Interest Rates and Interest Charges section of the *Account Summary Table* for the current APR for Standard Purchases.

**General Questions Applicable to All Financing Offers****How is the monthly minimum payment determined on my account?**

The minimum payment due is located in the Payment Information Section of your statement. If you have made multiple purchases and you would like to understand the minimum payment for each promotional plan, that information can be found in the Summary of Promotional and Standard Balances section of your statement. Each of these minimum payment amounts are added together to equal the required minimum payment due on the account. If you have any balances on your account as a result of a late fee or other charge, or a past due amount, those amounts will also be included in the total minimum amount due for that month. You are required to pay at least the minimum payment due each month on your account. See also the *Cardholder Agreement* for more information about how the monthly payment is calculated.

**What is a Penalty APR and how could it apply to me?**

If your account becomes 60 days past due, several things can happen. You may lose any promotional offer that is on your account at that time and will no longer have the benefit of the promotional APR. If you have a deferred interest offer, that promotional offer may end and all of the accrued interest charges may then be billed to your account at that time. If you have any standard purchase balances (non-promotional) you may also lose the APR applicable to those balances. The disclosed Penalty APR will then apply to all balances on your account (including any promotional purchase balance) and you will be required to make six timely monthly payments before the Penalty APR can be removed and replaced with the standard purchase APR.
