

## Privacy Policy — Highlights

Your privacy is important. Our privacy policy tells you how Visa Checkout collects, protects, uses and shares your personal information when you use our service. Here are highlights. Please also see our [full privacy policy](#) below.

### Information We Collect

We may collect:

- Your name, contact information, payment card numbers, and card transaction information when you use Visa Checkout,
- Information about your browser and device when you use Visa Checkout,
- Information from other sources, such as the banks that issued payment cards you use with Visa Checkout, and
- Other information to enable new services and promotions, when you give your consent.

### Main Ways We Use And Share Information

These are the main ways we use your information:

- To provide, operate and improve Visa Checkout,
- To fight fraud, improve security and comply with international sanctions requirements,
- To send you administrative emails about your Visa Checkout account, and
- For promotional purposes (in some countries/territories), when you give your consent.

These are the main ways we share your information:

- With merchants and others to complete the actions you initiate using Visa Checkout (payment card numbers are included in the information we may share),
- With the banks that issued your cards and other participants in your cards' payment network(s), to process your transactions using Visa Checkout,
- With the banks that issued your cards, to operate other services related to Visa Checkout,
- With our service providers, who help operate Visa Checkout and are required to protect your personal information, and
- With Visa affiliates, to help operate Visa Checkout, for development of Visa's products and services, and for other purposes.

Except as described here and in our [full privacy policy](#), we will not give or sell your personal information to any unaffiliated third party without your consent.

If you are a resident of Brazil, the European Economic Area, Russia or Taiwan, please see the additional country/territory-specific privacy [notices](#).
