**How We Will Calculate Your Balance:** We use a method called "average daily balance (including new purchases)".

**Index And When It Is Determined:** The Index used to determine your variable APRs is the U.S. Prime Rate shown in the "Money Rates" section of *The Wall Street Journal* on the last day the rate is published in each calendar month (the determination date). The Index will be effective for the entire billing cycle that ends in the second month after the determination date. For example, if your billing cycle ends in July, we will use the Index determined on the last day the rate is published in *The Wall Street Journal* in May. As of 09/01/2016, the Index (Prime Rate) was 3.50%.

**APR for Purchases and Balance Transfers:** To determine the APR for purchases and balance transfers, we add a margin of 10.74% to 16.74% to the Index (Prime Rate).

**APR for Cash Advances:** To determine the APR for cash advances, we add a margin of 21.99% to the Index (Prime Rate).

**How We Will Calculate Your Minimum Payment:** If your New Balance is less than \$35, the minimum payment will be equal to your New Balance. If your New Balance is \$35 or greater, the minimum payment will be the greater of (a) 2% of the New Balance or \$35, whichever larger; or (b) the current cycle fees and finance charges plus 1% of the New Balance (excluding current cycle fees and finance charges). Your minimum payment will also include any amounts by which your account is overlimit or past due and exclude disputed amounts.

<sup>1</sup> We will begin charging interest on cash advances and balance transfers on the transaction date.

Please Note: Your account generally will have monthly billing cycles, except that your first billing cycle may be more or less than one month. All credit terms, including minimum finance charges, will apply in each billing cycle including the first billing cycle.

You understand that the terms of your account, including APRs, are subject to change. APRs are not guaranteed and they may change. We may also change whether your rates will be variable or not. **IMPORTANT NOTICE REGARDING CHANGES IN TERMS. We reserve the right to unilaterally change the rates, fees, costs, and other terms at any time for any reason. All changes in terms will be subject to the requirements of applicable law.**

Payments on your account may be applied in the order we select, subject to applicable law. Generally, this means that if you make a payment in excess of the required minimum payment, we will apply the excess amount first to your balances with the highest Annual Percentage Rate. Any remaining portion of that excess amount will be applied to your other balances in descending order based on their applicable Annual Percentage Rates.

**BALANCE TRANSFERS:** You authorize us to make one or more of the balance transfers that you have requested. All balance transfer requests are subject to our approval; we are not liable if we do not make a requested balance transfer. We reserve the right to make balance transfers in the order we select and to limit the amount of the balance transfers that we make (this amount may be less than your total credit limit). If you request an amount that we do not approve, we may process a partial transfer for less than you requested or we may decline the entire request. In addition, transfer requests that are incomplete, illegible or requested to cash, to yourself or to another account with us or one of our affiliates need not be processed. You should not transfer any amount that is in dispute in order to preserve your dispute rights. You should continue to monitor the other accounts that you request to transfer balances from and you should continue to pay the minimum payments due on those accounts until you receive statements from those creditors showing that the balances due them have been paid in full. This may not happen until after the balance transfer appears on your billing statement from us. You are liable for any late payments, finance charges or disputed amounts on your other accounts. If you want your other accounts closed following a balance transfer, you are responsible for doing so. Balance transfers are subject to applicable fees and finance charges and do not have the benefit of a grace period.

**CREDIT REPORTS:** By applying for this account you agree that First Bankcard® (a division of First National Bank of Omaha) may obtain credit reports for purposes of processing your application and for later purposes related to your account such as reviewing, updating and renewing it, increasing the credit line and collecting. You also authorize First Bankcard® (a division of First National Bank of Omaha) to verify your employment, income and other relevant information.

**NOTICE TO CARDMEMBERS AND AUTHORIZED USERS:** We may report information about your account to credit bureaus. Late payments, missed payments, or other defaults on your account may be reflected in your credit report.

**IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT:** To help the government fight the funding of terrorism and money laundering activities, the USA PATRIOT Act requires all financial institutions to obtain, verify, and record information that identifies each person (including business entities) who opens an account.

What this means for you: When you open an account, we will ask for your name, physical address, date of birth, and other information that will allow us to identify you. We may also ask for other identifying documents. We will let you know if additional information is required.
