++Your Telephone Numbers: By providing us with a telephone number(s), at the time you apply or anytime thereafter, you authorize us and our affiliates and agents, to contact you at that number about your account or other products or services, and to use an automated dialing service, pre-recorded message or text message. Standard text messaging and/or calling charges may apply.

About This Offer: You must be at least 18 years of age. **This offer is available only to applicants who are residents of the United States, with the exception of Puerto Rico and the US territories,** and may not be available if you already have or have had an account with us. If at the time of your application you do not meet the credit or income criteria previously established for this offer, or the income you report is insufficient based on your current obligations, we may be unable to open an account for you. Please review the materials provided with your card for details.

About Your Credit Report: You agree that we have a right to obtain a credit report in connection with our review of your application, and if we establish an account for you, to administer your account. We may also ask to see copies of identifying documents. We also ask for country of citizenship.

Balance Transfers. Here's How it Works: To request a balance transfer please enter the 15/16 digit account number from the MasterCard, Visa, American Express, or Discover Card account that you want us to process a balance transfer to. If the total amount you request exceeds the assigned credit line on your new account, we may either decline the request or send a partial payment to your creditor(s). The amount of available credit on your new account will be reduced by the amount transferred and the related balance transfer fees. We reserve the right to decline to process any requested balance transfer. We will not process a request to transfer a balance from any other account you may have with us. Balance transfers incur interest from the transaction date. You should not transfer the amount of any disputed purchase or other charge. If you do, you may lose your dispute rights.

Upon approval of your application we will process the requested balance transfer payment to the account(s) which you have requested on the 10th day after we've mailed you your card; during this 10 day time period you may cancel your balance transfer by contacting us at the number on the back of your card. A balance transfer may take up to 4 weeks to post to your other accounts. Continue to pay each creditor until the balance transfer appears on the other account as a credit. If you would like to complete a balance transfer from another account that is not a Visa, MasterCard, American Express or Discover Card account, please call the phone number on the back of your new credit card once you are approved. Balance transfers are subject to availability. We may deny balance transfer requests at any time and for any reason.

Avoiding Interest on Purchases: We will not charge you interest on any purchases if you pay your entire balance by the due date each month. In addition, during this introductory period we will not charge you interest on purchases if you pay by the due date each month your outstanding statement balance minus any new 0% introductory APR Balance Transfer balances. To avoid a late fee, you should pay at least the minimum payment due on your account each month.

Credit Limit: We do not permit applicants to request a specific credit limit. We do not consider a request for a balance transfer made with an application to be a request for a particular credit limit. We determine the credit limit on your account independent of and prior to processing any balance transfer request.

Cash Equivalent Purchases: The purchase of money orders, travelers' checks, foreign currency, lottery tickets, gambling chips, wire transfers and other similar transactions are treated as cash advances. Please see your Cardmember Agreement for details.

New York Residents: New York residents may contact the New York State Department of Financial Services by telephone (800) 342-3736, or visit the website, www.dfs.ny.gov (<http://www.dfs.ny.gov/>), for free information on comparative credit card rates, fees and grace periods.

Notice to Married Wisconsin Residents: No marital property agreement, unilateral statement or court decree under Wisconsin's marital property law will adversely affect our interests unless before your account is opened, you give us a copy of the agreement, statement or decree or we have actual knowledge of it.

You understand and agree that, unless we otherwise state, you are no longer eligible to receive these bonuses and/or rewards for any new JetBlue MasterCard account you open after this Account is opened. If you receive a bonus or reward for which you are not eligible, we may revoke the bonus or reward, or reduce your TrueBlue points by the amount of the bonus or reward, or charge your Account for the fair value of the bonus or reward, at our option.

- Balance Transfers, Cash Advances, Cash Equivalent Transactions (transactions in highly liquid assets, e.g. assets that are directly convertible to cash such as, but not limited to, money orders, traveler's checks, foreign currency, gambling chips and lottery tickets), fees, interest charges, and unauthorized/fraudulent transactions do not earn TrueBlue points.
