What we do	
How does Firsttrust protect my personal information?	To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings. We restrict access to your nonpublic personal information to employees who need to know that information to provide products or services to you and protect it with multiple safeguards.
How does Firsttrust collect my personal information?	We collect your personal information, for example, when you: <ul style="list-style-type: none"> ▪ Open an account or apply for a loan ▪ Show your driver's license ▪ Provide employment information or give us your contact information We also collect your personal information from others, such as credit bureaus, affiliates, or other companies.
Why can't I limit all sharing?	Federal law gives you the right to limit only <ul style="list-style-type: none"> ▪ sharing for affiliates' everyday business purposes – information about your creditworthiness ▪ affiliates from using your information to market to you ▪ sharing for non affiliates to market to you State laws and individual companies may give you additional rights to limit sharing.
What happens when I limit sharing for an account I hold jointly with someone else?	Your choices will apply to everyone on your account.
