You are required to complete and provide all Bank requested information for External Transfers, including but not limited to account numbers, routing numbers, bank information, and any other information or documentation reasonably requested by Bank. There must be sufficient funds in your Account and/or the applicable External Account for the External Transfer to be completed. Any External Transfer initiated on any Business Day after 6:00 p.m. CT, may not be processed until the next Business Day. Funds transferred into your Account by External Transfer will be available on the third (3rd) Business Day following the scheduled External Transfer date. Any funds transferred into a New Account by External Transfer will not be available until the fifth (5th) Business Day following the scheduled External Transfer date. It is recommended that you schedule your External Transfers in advance to allow ample

time for Bank to work through any processing errors or issues for failure to confirm the authority or accuracy of information on the External Account. Bank may notify you of any failure to be able to process any External Transfer as Bank is made aware of such. (Please note that not all Accounts or External Accounts are eligible for External Transfers). Once an External Transfer is initiated or in process, it cannot be cancelled. If an External Transfer is scheduled and authenticated using your Account, computer, and security information, then any such External Transfer will be your responsibility, regardless of mistake, error, or fraud, subject to Applicable Law. External Transfers are limited to and may not exceed \$2,000 daily nor may they exceed \$6,000 monthly. Furthermore, the number of both inbound and outbound External Transfers is limited to eight (8) transfers daily and nine hundred and ninety-nine (999) monthly. These amounts and limits may be modified or changed from time to time or on an exception basis by Bank, at Bank's sole discretion. Subject to Applicable Law, Bank shall have no liability to you or any other person or entity whatsoever for any failure to comply with Bank External Transfer procedures, Security Procedures, the terms of this Agreement, insufficient funds in any Account or External Account, inaccurate information provided by you or a third party, system failures or interruptions, or any failure of any External Transfer to be completed as requested and/or scheduled due to any reason, except for Bank's gross negligence or willful misconduct. All External Transfers must be properly authenticated and in compliance with Applicable Laws.

9. **Credit Card Account Access.** If you have applied for, eligible for, and received a Bank credit card, then your Credit Card Account will automatically be linked with your other personal Accounts in iManage Personal Banking®. From the iManage Personal Banking® system you will also be able to sign-in directly to your Credit Card Account, through a single sign-on process. In the iManage Personal Banking® system, your Credit Card Account will be identified by the last four digits of your Credit Card Account. You will be able only to view Credit Card Account transactions through the iManage Personal Banking® system. You will be able to manage your Credit Card Account through a single sign-on connection and link to the "eZCard" system, which is a robust system allowing you to view and manage your Credit Card Account, as well as make payments, schedule future payments, review transactions, see historical information, etc. If you do not want your Credit Card Account automatically linked to your personal Accounts profile, you will need to contact the MidFirst Bank MoneyLine at 1-866-626-3888 to request the Credit Card Account be removed from your online linking profile.

Through the single sign-on to eZCard from the iManage Personal Banking® system, you will be able to perform the following functions with respect to your Credit Card Account:

Your payment will be made from the account you select in the amount and on the date instructed and scheduled by you and will be subject to the account agreement governing the selected account. You will also have the option to select a date in which you want any recurring payments to stop. All payments to your Credit Card Account must be submitted prior to 5:00 p.m. eastern time ("ET") in order to post during the same day; otherwise any payments made to your Credit Card Account after 5:00 p.m. ET will be credited to your Credit Card Account the next Business Day. You will have the ability to review your payment history, make one-time payments, and manage your payment accounts, (both Bank and non-Bank accounts) through the eZCard system, accessible from the iManage Personal Banking® system.

These alerts may be received by you via your email address or mobile phone number. In order to request this feature, you must complete the appropriate online form specifying method of notification and your email and/or SMS (text) message alert preferences. You acknowledge and agree that, although we will attempt to transmit email and/or SMS (text) message alerts in accordance with your specifications, email and/or SMS (text) message alerts are not guaranteed to be accurate, nor are they guaranteed to be sent by us or received by you on a timely basis. If we need more time, however, we may decide to take up to forty-five (45) days to investigate your complaint or question. If we decide to do this, we will provisionally credit your Account within ten (10) Business Days after we receive your written complaint or question for the amount you think is in error, so that you will have the use of the money during the time it takes us to complete our investigation. If we ask you to put your complaint or question in writing and we do not receive it within ten (10) Business Days, we may not provisionally credit your Account.

For New Accounts, the Bank may take up to ninety (90) days to investigate your complaint or question, provided we provisionally credit your Account for the amount in question within twenty (20) Business Days following notice from you. BILL PAYMENT SERVICES

This Bill Payment Agreement, the Customer Agreement, the Account Agreement and Disclosures, and other Account documentation and agreements applicable to your Account shall govern your use of the Bill Payment Services, (as defined below).

- 1. The Bill Payment Service.** The Bill Payment Service is an optional Internet banking feature, which may be used in conjunction with Bank's iManage Personal Banking® product; where you may schedule payments directly from your authorized and designated Accounts to third parties whom you have selected in advance to receive payments (“Payees”) through the iManage Personal Banking® bill payment services (“**Bill Payment Services**”). You may make payments through the Bill Payment Services to any business, merchant, or professional that generates a bill or invoice for products or services provided to you, or on your behalf, and that has an address (“**Business Payees**”). You also may make payments through the Bill Payment Services to individuals, family, or friends for non-business purposes (“**Personal Payees**”). The terms “Payee” or “Payees” includes both Business Payees and Personal Payees, as applicable. Bank reserves the right, in Bank’s sole discretion, to determine, at any time, how a Payee should be classified. You can include up to 4,999 Payees on your Payee list. Payments may be made only to Payees with a U.S. payment address. Any Accounts requiring two or more signatures or authorizations to withdraw or transfer funds may not be used as a Billable Account.
- 2. Payee List.** You must provide Bank with complete and accurate information to enable Bank to properly direct a payment to the correct Payee and the correct Payee account (“**Payee Information**”). Payee Information will include, but not be limited to, the name, telephone number, and address of the Payee and the Payee account number. You can enter Payee Information directly using the Bill Payment Service. Additions, deletions and changes to Payee Information are entered directly by you, and are communicated to Bank upon transmission of the information to Bank. Additions, deletions, and/or changes to Payees will be effective immediately. Bank may rely on the accuracy of the Payee Information provided, until such time as you notify us otherwise. Any notifications for additions, deletions, or changes must be in writing and provided to the Bank before they will be effective. Bank will have a reasonable amount of time to implement changes to your Payee Information. Bank will endeavor to update all Payee Information change requests within one (1) full Business Day of Bank’s receipt of the request.
- 3. eBills.** You may also select the option to activate electronic bill statement presentment and payments (“**eBills**”), which will allow you to establish a payment schedule for such eBills to be paid through the Bill Payment Services. With the payment schedule, you can select to pay a designated fixed amount, the total amount of the bill due, the minimum amount of the bill due, or a reoccurring amount with a specific set of designated options based on the eBill presented for payment. In addition, you can determine the desired date you want to pay your bill; you should schedule your payments at least five (5) to seven (7) Business Days prior to the due date of the bill or upon you receipt of the eBill. You have sole responsibility for

setting up eBill presentment through your third party service providers or bill presenters (“**Billers**”) and for receiving and reviewing billing statements directly from your Biller. Bank has and will have no authority to set up your eBill services with your Billers and shall have not authority or obligation to make any changes or updates to any of your personal information, including but not limited to name, address, phone number, email address, Internet protocol (“IP”) address, or any other personal information changes or modifications with Biller. You will have sole responsibility for updating your personal information with Bank and with Biller separately. Additionally, you will be solely responsible for maintaining, protecting, and updating any and all usernames, passwords, or authentication techniques with your Biller and with the Bank and their respective electronic or Internet websites. It will be your responsibility to activate eBill presentment through your Biller and set-up all authorization and notification requirements. By activating your electronic billing through the Biller, you authorize Bank to act on your behalf to access your billing statements and information necessary to pay bills through eBills and the Bill Payment Services. You understand and agree that the Biller may require several billing cycles to set up your request for eBill presentment to the Bank and you agree to schedule and plan for any delays. You will be solely responsible for maintaining a current balance and paying all bills timely with your Billers; Bank shall have no liability whatsoever to you or the Biller for any reason for any late fees, expenses, or late payments and you agree to indemnify and hold the Bank harmless from any Biller or other third party claims, damages, expenses, costs, or fees which arise out of or relate to eBills or the Bill Payment Services. Both Bank and the Biller reserves the right to accept or deny any payments made through the Bank Bill Payment Services for any reason. The Bank system will store up to eighteen (18) months of bill payment summary information with respect to eBills. If an eBill is received indirectly by Bank, (i.e. Bank pulls the eBill information directly from the Biller’s online website for payment) it can be stored on the Bank system for up to eighteen (18) months; however if an eBill is received directly (i.e. the Biller distributes and sends the eBill directly to Bank’s third party payment processor for presentment on the Bank system for payment) by Bank, the eBill image will be available only for the time prescribed by the Biller. The retention and ability to see eBill history will be at the discretion of the Bank and/or Biller based on how the eBills are presented and received for payment. Bank shall have no liability for eBill historical information, which is outside the control of the Bank. You must request copies of any billing statements directly through your Biller and set up eBills in accordance with Bank instructions. You should monitor and keep track of all bills paid and those pending for payment. Bank is not responsible for the accuracy of any eBills presented or received by Bank; any discrepancies or disputes regarding the accuracy of any bills or payments must be addressed directly to the Biller. As necessary, you grant Bank the right to access the necessary third party website or system to retrieve necessary account and billing information on your behalf; however Bank shall have no responsibility or liability for any Biller who fails to provide necessary information or data required by Bank to process an eBill in a timely manner. You are responsible for making sure your eBills are timely paid and that accurate information is provided.

4. **Scheduling Payments.** You may electronically schedule a payment using the Bill Payment Services. Payments may be made in any amount of not less than \$1.00 and not exceeding \$25,000.00 (“**Payment Range**”). Your total electronic payments for any given Business Day may not exceed \$25,000.00 (“**Daily Payment Range**”). Bank reserves the right to change the Payment Range and/or the Daily Payment Range at any time. Such changes will be effective upon Bank’s implementation and posting of such on its systems or website. Furthermore, Bank reserves, in Bank’s sole discretion, to allow exceptions to the Payment Range and Daily Payment Range based upon certain criteria including, but not limited to total relationship with Bank, your credit scores, and/or special requests. As part of the Bill Payment Services, you will designate the Account for payments to be deducted and if you set up payments for recurring payments, then you will receive notification of the amount to be paid from your designated Account, at least five (5) Business Days prior to the funds being withdrawn from your Account.
5. **Delivery of Your Payments.** Using the Bill Payment Services, you may “schedule” a payment for a particular date. The funds for the payment will be deducted from your Account upon the date of scheduling of the payment to Payee; this date may be different than the date a payment is scheduled to be sent or actually sent to the Payee. If your Account has insufficient funds or is no longer an active account in good standing with Bank, then your payment may be delayed or cancelled and you will be responsible for any fees or expenses resulting from such delay or cancellation. Transmission of the payment occurs when your payment is sent to the Payee for delivery; the date the payment is actually sent to the Payee for delivery

is the "Transmit Date." The date the Payee actually receives payment may be later than the Transmit Date, and will depend on whether the payment is made electronically or by check, as discussed below.

- (i) Payments and Funds Verification. You may schedule payments on the same date of your request ("**Same Day Payments**"), on a future date ("**Future Payments**"), or on a recurring basis ("**Recurring Payments**"). For each of the payment types, funds will be verified and withdrawn from your Account on the same day as the payment is scheduled. In the event the funds in your Account cannot be verified by Bank, then Bank may delay or cancel your scheduled payment(s) and/or Bank may send the payment requests through its exceptions processing procedures for further Funds Verification; any exceptions processing will be in Bank's sole discretion. If your Account has insufficient funds, your payment may be delayed or cancelled and Bank shall have no liability for such delay or cancellation.
- (ii) Same Day Payments. Same Day Payments will generally be transmitted the first (1st) Business Day following the day you schedule the payment; provided you have sufficient funds in your Account and your Account is in good standing and there are no restrictions or holds on your funds. Future Payments and Recurring Payments will generally be transmitted on the scheduled payment date. If the scheduled payment date falls on a day other than a Business Day, the payment will generally be transmitted on the next Business Day following the scheduled payment date. You should schedule your payments accordingly taking into consideration any potential transmission delays, including, but not limited to Payee address or instruction changes, technical or transmission failures or delays, and other circumstances, which may be foreseeable or unforeseeable.
- (iii) Payment Methods. We may remit your payments by mailing your Payee a check drawn on a Bank account, we maintain for this purpose, by electronic funds transfer, or by other acceptable means, as Bank may determine, unless otherwise instructed by you when you order an Expedited Payment (as defined below).
- (iv) Processing Time. In order to provide sufficient time for payments to be received by your Payees, electronic payments must be scheduled at least three (3) Business Days prior to the due date and all other payments must be scheduled a minimum of seven (7) Business Days prior to the date the payment is due, excluding any applicable grace periods.
- (v) Expedited Payments. "**Expedited Payments**" allow you to schedule a payment and have the payment sent on same or the next Business Day as scheduling the payment, depending on when your Expedited Payment is scheduled. By scheduling an Expedited Payment, you may schedule and pay bills the same-day electronically or cause an overnight check to be issued and sent to the Payee. For same Business Day electronic or overnight check payments, you must schedule your payment prior to 6:45 p.m. CT Monday-Friday. If you schedule an Expedited Payment after 6:45 p.m. CT Monday-Friday or on a non-Business Day, then your payment will be processed and sent the next Business Day. In addition to the foregoing Bank limitations, all Expedited Payments are subject to Payee validation, Payee established cut-off payment time-frames, and Funds Verification. There is an additional premium fee for Expedited Payments, which will be assessed and charged to your Account in accordance with the Account Agreement and Disclosure. Some exceptions may apply to Expedited Payments and you will immediately be contacted in the event your Expedited Payment request cannot be met by Bank. Once an Expedited Payment is scheduled, it cannot be cancelled.
- (vi) Payment Cancellations. Bank reserves the right to refuse, suspend, or reject any payment or payment request and/or to cancel the Bill Payment Services at any time for any reason. Bank is not responsible for any returned payments or fees associated therewith, due to inaccurate information provided by you, your representatives, or any third parties.

6. **Same Day Payments**. You may schedule Same Day Payments on the same day that you submit the Payee Information or schedule a payment with the Bill Payment Services, provided all Same Day Payments must be requested and initiated prior

to 8:00 p.m. central time ("CT") to be considered scheduled the same day you submitted the information and requests. Same Day Payments refer to the scheduled payment date and not to the transmission date, as described above in Paragraph 4(ii).

7. **Future Payments.** You may schedule a payment up to 364 days in advance.
8. **Recurring Payments.** You may schedule payments to Payees to be automatically transmitted in a fixed amount on a monthly, quarterly, weekly, semi-monthly, semi-annual, annual, or other frequency. If a Recurring Payment date is a day, which does not exist in a certain month, then the payment will be transmitted on the next Business Day of the month or the last day of the month.
9. **Stopping, Canceling or Changing Bill Payments.** You may use the **Bill Payment Service** to electronically change the payment amount and/or the scheduled payment date of any previously scheduled payment, or to electronically cancel a previously scheduled payment, subject to the limitations herein. A Same Day Payment may be canceled, changed or rescheduled using the **Bill Payment Service** any time prior to 8:00 PM CT on the scheduled payment date. Future Payments and Recurring Payments may be canceled, changed or rescheduled any time prior to 8:00 p.m. CT on the Business Day prior to the scheduled payment date. If your payment has already been transmitted it may not be cancelled or stopped through the **Bill Payment Services**. If your payment was transmitted by mailing a check, you may request a stop payment by contacting MidFirst MoneyLine at 1-866-626-3888. Bank will require your name and account number, the date drawn, the exact amount of the payment, and the Payee Information to attempt to fulfill your request. Bank may require you to put your request in writing and get it to us within fourteen (14) Business Days after your initial contact to Bank, or your stop payment order will cease to be binding. All requests to stop payment will incur the stop payment charge as set forth in the applicable Fee Schedule. **ONCE AN ELECTRONIC PAYMENT HAS BEEN TRANSMITTED, IT CAN NOT BE STOPPED.**
10. **Statements.** All of your payments and funds transfers made through the **Bill Payment Services** will appear on your periodic Account statement(s). The transaction type, Payee name, payment amount, and the Transmit Date will be reflected for each payment made through the **Bill Payment Services**. You have sole responsibility to monitor and review your statements and the bill paid from your Billable Account and to immediately report any suspected fraud or unauthorized access to your Account or Account information.
11. **Fees.** Applicable fees will be charged to your Billable Account for your **Bill Payment Services**, in accordance with the Fee Schedule, which was provided to you at the time of opening your Account or which is available upon request. The Fee Schedule is subject to change from time to time by Bank. In addition to **Bill Payment Service** fees, other fees may apply as established in the applicable Fee Schedule. **PLEASE NOTE THAT CARRIER CHARGES MAY APPLY FROM YOUR MOBILE DEVICE OR INTERNET PROVIDER, WHICH ARE SOLELY YOUR RESPONSIBILITY.** Any failure to assess any fees or charges or to assess fees or charges in any specific amount does not waive Bank's right to increase or decrease the amount of charges at any later time for the **Bill Payment Services**. Fees are reviewed periodically and are subject to change at any time in Bank's sole discretion. In addition to the fees for the **Bill Payment Services**, you will be responsible for any other fees, including, but not limited to overdraft fees, which may be incurred in connection with the **Bill Payment Services** for insufficient funds in or Bank holds on your Account.
12. **Liability.** You specifically acknowledge and agree to be bound by all terms of the Customer Agreement and this **Bill Payment Agreement**. Additionally, you agree that Bank shall not be liable in the event that a scheduled payment is transmitted in accordance with the timing specifications set forth herein, but is not received by the Payee in a timely manner. You further agree that in any event, notwithstanding the cause of action or theory of liability, Bank's liability related to the timeliness of transfers will not exceed the lesser of Payee's late fee related to the particular late payments or \$25.00. Bank may suspend, reject, delay, cancel, or refuse a bill payment for any reason and Bank shall have no liability to you or any third party for any such suspended, rejected, delayed, cancelled, or refused bill payment, where Bank acts in good faith. You will be responsible for (i) protecting your information, passwords, logon information, and other security with Bank and with any

Billers; (ii) periodically updating and providing accurate and current personal information; (iii) properly following any Biller instructions for setting up and activating eBill billing statement presentment to the Bank; and (iv) fulfilling all other obligations under this Bill Payment Agreement. Under no circumstances will Bank, its affiliates, subsidiaries, officers, employees, or representatives be liable to you or any third parties for any delayed, late, or cancelled payments, fees, expenses, or costs due to insufficient funds in your Account, inaccurate information provided by you or your representatives, services not properly activated, Accounts with restricted funds or instructions, inactive Accounts, or Accounts not in good standing with the Bank. Bank, its affiliates, subsidiaries, officers, employees, or representatives shall not be liable to you or any third parties for any liabilities, damages, fees, expenses, penalties, or costs arising out of your negligence or your failure to monitor your Account and schedule payments accordingly, or for any special, consequential, indirect, incidental, or punitive damages arising from or out of this Bill Payment Agreement.
