

FlexPerks® Travel Rewards Visa Signature® Card Terms and Conditions

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask you for your name, address, date of birth and other information that will allow us to identify you. We may ask to see your driver's license or other identifying documents.

We may change APRs, fees, and other Account terms in the future based on your experience with U.S. Bank National Association and its affiliates as provided under the Cardmember Agreement and applicable law.

We apply your minimum payment to balances with lower APRs first, including promotional APRs. Amounts paid over the minimum payment will be applied in the order of highest to lowest APR balances.

How Variable Interest Rates Are Determined: After the introductory period, your interest rate is a variable rate and is determined by a combination of the Prime Rate (which may vary) added to a margin (which does not change). Earning FlexPoints

U.S. Bank will credit your U.S. Bank FlexPerks Travel Rewards Visa Signature Card Account with FlexPoints as follows. Yearly Award Level: For eligible Net Purchases (purchases minus credits and returns) less than or equal to \$120,000, earn one FlexPoint for every \$1. If during the calendar year, Net Purchases exceed \$120,000, all FlexPoints for the remainder of the calendar year are earned at a rate of one FlexPoint for every \$2. Exemption: AutoPay Cardmembers who select the full payment option on the first available payment date after their statement date. FlexPoints will be awarded as long as your Account is open and not 5 days or more past due at the close of your Account billing period. We will not award FlexPoints

for Advances, Convenience Checks, Balance Transfers, Interest Charges and Fees, credit insurance charges, or transactions to fund certain prepaid card products. We reserve the right to adjust the number of FlexPoints for purchases or to stop issuing FlexPoints for purchases on the Account, upon notice to you.

Additional FlexPoints may be awarded for purchases at merchants classified as: airlines, gas stations or grocery stores (each, a "Category"). You will earn the additional FlexPoints at a rate of two for every \$1 in the one Category in any given billing cycle that has the highest total of eligible Net Purchases charged to your Account (the "Highest Category"). FlexPoints will be awarded at the rate of two for every \$1 on eligible Net Purchases during the current month's billing cycle for any telecommunication services/products merchants. U.S. Bank does not have the ability to control how a merchant chooses to classify their business and reserves the right to determine which purchases qualify for additional FlexPoints.

Additional FlexPoints may be awarded at a rate of three FlexPoints per every \$1 in Net Purchases during each billing cycle for any merchant location that classifies itself as a Charitable and Social Service Organization. U.S. Bank does not have the ability to control how a merchant chooses to classify their business and reserves the right to determine which purchases qualify for additional FlexPoints. Bonus FlexPoints will be awarded within 60 days of donation.

"Net Purchases" for a billing period are determined by adding all new purchases recorded to your Account during the billing period and subtracting any credits or other adjustments recorded to your Account during the billing period for returned purchases. If credit for returned purchases exceeds new purchases in any billing period, the excess credits will be carried forward into successive billing periods and subtracted from future new purchases to determine the Net Purchases for those successive periods. U.S. Bank may round Net Purchases up or down to a whole dollar amount for purposes of awarding FlexPoints.

Please allow up to sixty (60) days after a purchase for your FlexPoints, on that purchase, to post to your FlexPoints balance. Your FlexPoint balance can be found at the Rewards Center at usbank.com (usbank.com). Your balance for the calendar year is reflected on your Account statement each month.

FlexPoints cannot be used as payment for obligations owed to U.S. Bank or its affiliates. Exception: Cardmembers can choose to redeem their earned FlexPoints for statement credit to be applied to their Account by accessing the Rewards Center at usbank.com (usbank.com). The statement credit will reduce the Account balance, but does not count as a payment and thus does not reduce the minimum payment due. There are no refunds, exchanges, replacements or conversions for currency, credit, other points or rewards for no-shows or unused portions or rewards. Determination and payment of tax liability is the sole responsibility of the Cardmember.

Points Expiration

FlexPoints will expire at the end of the calendar quarter, at 11:00 p.m. Central Time, that is five (5) years from the date on which they were earned. FlexPoints are redeemed or expire on a first-in, first-out basis, so that the FlexPoints you earned are used first before later earned FlexPoints. All FlexPoint redemptions are final.

Transferring FlexPoints

You may transfer FlexPoints you earned to other qualifying FlexPerks Rewards Accounts. All FlexPoints transfers are final. In order to transfer FlexPoints, the transferring FlexPerks Rewards Account must be in good standing (not in default, closed, suspended or otherwise not in good standing) at the time of transfer. You may transfer FlexPoints using the Point Transfer tool under the "Manage Points" section of the Rewards Center at usbank.com (usbank.com) or by calling the Rewards Center at 888-229-8864. The amount of FlexPoints that you may transfer is limited to 20,000 FlexPoints in a calendar year. The amount of FlexPoints that you may accept as a transfer into your Account is limited to 20,000 FlexPoints in a calendar year. All transfers are final. You may not cancel a transfer request; you may only (if available) initiate a new transfer request back to the original account in order to reverse a transfer request.
