

U.S. Bank Cash+™ Visa Signature® Card Terms and Conditions

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT: To help the government fight the funding of terrorism and money laundering activities, federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account. What this means for you: When you open an account, we will ask you for your name, address, date of birth and other information that will allow us to identify you. We may ask to see your driver's license or other identifying documents.

We may change APRs, fees, and other Account terms in the future based on your experience with U.S. Bank National Association and its affiliates as provided under the Cardmember Agreement and applicable law.

We apply your minimum payment to balances with lower APRs first, including promotional APRs. Amounts paid over the minimum payment will be applied in the order of highest to lowest APR balances.

If you do not qualify for the U.S. Bank Cash+™ Visa Signature® Card, you will automatically be considered for the U.S. Bank Cash+ Visa Platinum Card which has the same cash back on all net purchases as the Cash+ Visa Signature Card but does not offer the Visa Signature benefits.

How We Will Calculate Your Balance: We use a method called 'average daily balance (including new purchases)'. See your Cardmember Agreement for more details.

Billing Rights: Information on your rights to dispute transactions and how to exercise those rights is provided in your Cardmember Agreement.

The information about the costs of the card described in this application is accurate as of 12/2016. This information may have changed after this date. To find out what may have changed, call us at 1-800-285-8585 (we accept relay calls) or write to us at P.O. Box 6352, Fargo, ND 58125-6352.

¹Depending on your credit history, Convenience Checks may not be available to all applicants.

How Variable Interest Rates Are Determined: After the introductory period, your interest rate is a variable rate and is determined by a combination of the Prime Rate (which may vary) added to a margin (which does not change). Because the Prime Rate may vary, your variable interest rate will go up or down if the Prime Rate changes. If you are granted an Account, the following rates on the Account are variable: Non-Introductory Purchase Rate; Non-Introductory Balance Transfer Rate; Cash Advance Rate. More information is available in the Cardmember Agreement.

Notice to California Residents: An applicant, if married, may apply for a separate account.

Notice to Married Wisconsin Residents: No provision of any marital property agreement, unilateral statement under section 766.59 of the Wisconsin statutes or court decree under section 766.70, adversely affects our interest unless we, prior to the time the credit is granted or an open-end credit plan is entered into, are furnished a copy of the agreement, decree or court order, or have actual knowledge of the adverse provision. **IF YOU ARE A MARRIED WISCONSIN RESIDENT, CREDIT EXTENDED UNDER THIS ACCOUNT WILL BE INCURRED IN THE INTEREST OF YOUR MARRIAGE OR FAMILY.**

Notice to Ohio Residents: The Ohio laws against discrimination require that all creditors make credit equally available to all creditworthy customers, and that credit reporting agencies maintain separate credit histories on each individual upon request. The Ohio Civil Rights Commission administers compliance with this law.

U.S. BANK CASH+ PROGRAM

(a) Accounts that are eligible to earn cash rebates are open and current when the Account is used. Accounts are ineligible when closed and/or after enrollment in the U.S. Bank Cash+ Program is cancelled.

(b) You may only earn Rebates (defined below) for Net Purchases on your Account. "Net Purchases" are determined by totaling all new Purchases charged to the Account during a billing cycle, then subtracting credits posted to the Account during the same billing cycle for returns, chargebacks and/or other adjustments. Rebates are not earned for Advances (including wire transfers, travelers checks, money orders, foreign cash transactions, betting transactions, lottery tickets and ATM disbursements), Convenience Checks, Balance Transfers, Interest Charges and Fees, credit insurance charges, transactions to fund certain prepaid card products, U.S. Mint purchases, or transactions to purchase cash convertible items.

(c) Rebates include 1% Rebates, 2% Rebates and 5% Rebates (collectively, "Rebates"). "1% Rebates" are those Rebates for which you will earn 1% of Net Purchases. "2% Rebates" are those Rebates for which you will earn an additional 1%, for a total of 2%, of Net Purchases as described further below. "5% Rebates" are those Rebates for which you will earn an additional 4%, for a total of 5%, of Net Purchases as described below.

(1) 2% Rebates are those Rebates for which you will earn 2% of Net Purchases made in 1 designated category. You must select, each calendar quarter, which category will apply for your 2% Rebates. If you do not make the designation for each quarter, you will earn the 1% Rebate in that category. Categories are subject to change quarterly.

(2) 5% Rebates are those Rebates for which you will earn 5% of Net Purchases made in 2 designated categories. You must select, each calendar quarter, which 2 purchase categories will apply for your 5% Rebates. If you do not make the designations for each quarter, you will earn the 1% Rebate in those categories. During any calendar quarter in which you spend more than \$2,000 in your combined two 5% purchase categories, you will earn the 1% Rebate for any additional purchases in your 5% purchase categories during that quarter. Categories are subject to change quarterly. Merchants who accept Visa/Mastercard credit cards are assigned a merchant code based on the kinds of products and services they sell. To offer 2% and 5% Rebates based on purchase type (for example 5% cash back for Department Store purchases) U.S. Bank groups similar merchant category codes into Purchase Categories. Purchases which fall into the eligible Purchase Category will receive the stated Rebate. U.S. Bank makes every effort to include all relevant merchant category codes in its listed Purchase Categories. However, even though a merchant or the items that it sells may appear to fit within a Purchase Category, the merchant may not use the merchant code that will fall within that Purchase Category. Therefore, U.S. Bank cannot guarantee that a purchase will qualify for 2% or 5% Rebates as any purchase where a merchant uses a category code outside of the eligible Purchase Category will not qualify for the stated Rebate.

(d) You must register online on a calendar quarterly basis to be eligible to earn 2% Rebates and 5% Rebates. You will be able to register to designate the categories applicable for a quarter's 2% Rebates and 5% Rebates within 45 days prior to the beginning of or during each applicable quarter. You may make changes to your designated categories until 5 days before the beginning of the quarter to which your designations apply. No changes may be made within five days before the start of or during the quarter in which your designated categories apply, including if you registered during the quarter. Allow up to 3 business days for registration to take effect before you will be eligible to earn 2% Rebates and 5% Rebates. You will begin earning 2% Rebates and 5% Rebates as of the start of the calendar quarter, or the date your registration is effective, whichever is later.

(e) We will show on your monthly Account statement the accrued Net Purchases potentially eligible for redemption as Rebates as of the statement billing date. Your 1% Rebates earned will appear on your statement as "Cash Rewards", and the additional rewards you earn for 2% Rebates and 5% Rebates (1% and 4%, respectively, in excess of the 1% Rebate) will appear on your statement as a "Bonus". Rebates earned can also be viewed within Internet Banking Rewards Center at usbank.com. We reserve the right to adjust or reverse the number of Rebates that were awarded, or Net Purchases potentially eligible for redemption, for unauthorized Purchases.

(f) Rebates may be redeemed as a statement credit, reward card, or deposit made to your U.S. Bank Savings, Checking or Money Market Account, based on your designation. There is no minimum redemption requirement except for U.S. Bank Visa Rewards Cards. Redemption for U.S. Bank Visa Rewards Cards must be in \$5 increments, subject to a \$20 minimum, except as otherwise allowed as communicated by U.S. Bank. In addition, you will earn a \$25 Cash+ Bonus the first time you redeem \$100 or more in rebates in a single redemption transaction. If your cash rewards balance is greater than or equal to zero as of the statement closing date of the statement period during which you redeemed \$100 or more in rebates, the \$25 Cash+ Bonus will be sent to you under separate cover in the form of a Cash+ Bonus Rewards Card. If your cash rewards balance is less than zero as of the statement closing date of the statement period during which you redeemed \$100 or more in rebates, the \$25 Cash+ Bonus will be added as cash to your cash rewards balance (and will offset the negative cash rewards balance on your statement). Terms and Conditions for the Cash+ Bonus Rewards Card will be provided with the card. Please allow 6-8 weeks after your redemption request is made for your Cash+ Bonus to arrive.

(g) The Account must be open and current to be eligible to earn Rebates. Rebates are not payable if the Account is closed or past due and will be forfeited. Generally, there is no maximum annual cash rebate, but U.S. Bank reserves the right to cap certain 2% Rebates and 5% Rebates in addition to any limits already described in these U.S. Bank Cash+ Program rules. Rebates expire 36 months after the billing cycle in which they are earned.

(h) The Account and these Rebates are provided for personal, family and household use. U.S. Bank reserves the right to disallow or remove Rebates awarded for Purchases made for other than personal, family or household use.

(i) We reserve the right to change or cancel the U.S. Bank Cash+ Program at any time, with or without notice to you. The most current U.S. Bank Cash+ Program rules are available at www.usbank.com/cashplus.
