This Cardholder Agreement is between you and The Toronto-Dominion Bank (the **Bank, we, us** or **our**). It applies to the Card and the **Account** including when you use the Card or Account.

When you sign, activate or use the Card or the Account, it means that you have received and read both this Cardholder Agreement and the **Disclosure Statement** that together form the **Agreement** between you and the Bank.

We may send you changes or replacements for this Agreement from time to time. This Agreement replaces any previous Agreement between you and the Bank.

1. DEFINITIONS

What these **key words** mean in this Agreement:

Account means the credit card account we open and maintain for the Card.

Agreement means this Cardholder Agreement and the Disclosure Statement for the Account.

Authorized User means a person that we issue a Card to at the request of the Primary Cardholder.

Available Credit means the amount of credit that is available to you at any time on the Account. It is the positive difference between the Credit Limit and the Balance that is owed on the Account.

Balance means the total amount of all Transactions, fees, interest and other amounts charged to the Account under this Agreement, less any payments or other credits posted to your Account.

Balance Transfer means a Transaction where you request us to transfer any balance that is owed on another credit card account to the Account. The other credit card account cannot be an account with the Bank. A Balance Transfer is treated as a Cash Advance. We may offer you a promotional interest rate on a Balance Transfer, but if we do not, then the annual interest rate that applies on the Account for Cash Advances applies to that Balance Transfer. If you accept a promotional offer on a Balance Transfer, this Agreement will continue to apply to that Balance Transfer and any additional terms we set out in the promotional offer will also apply to that Balance Transfer.

Card means the credit card for the Account that we issue to you or any renewal or replacement of that credit card.

Cardholder means the Primary Cardholder and any Authorized User.

Cash Advance means a Transaction where you withdraw cash from the Account including through:

- any device such as an automated teller machine (**ATM**), phone, online or mobile device;
- our branches and at other financial institutions;
- a Balance Transfer;
- a TD *Visa* Cheque; or
- a Cash-Like Transaction.

Cash-Like Transaction means a Transaction to purchase items that are similar to and can be converted into cash. Cash-Like Transactions include casino gaming chips, money orders, wire transfers, travellers cheques and gaming transactions (including betting, off-track betting and race track wagers).

Disclosure Statement means the document that we provide to you with the Card that discloses information about the Card and the Account, additional to what is in the Cardholder Agreement, including interest rates and fees.

Payment Due Date means the date on which your payment is due as shown on the statement for the Account.

Primary Cardholder means the person who applied for a Card, whose name is on the Account and who a Card is issued to.

Purchase means any Transaction other than a Cash Advance.

TD Visa Cheque means a credit card cheque we may issue to you, with your consent, that you can use to: (i) pay for goods and services with your Card; or (ii) transfer any balance on another credit card account to this Account. The other credit card cannot be an account you have with the Bank. We may offer you a promotional interest rate on your TD Visa Cheque, but if we do not, then the annual interest rate that applies on the Account for Cash Advances applies to your TD Visa Cheque. If you accept a promotional offer on a TD Visa Cheque, this Agreement will continue to apply to that TD Visa Cheque and any additional terms we set out in the promotional offer will also apply to that TD Visa Cheque.

Transaction means any use of a Card or the Account to purchase goods or services or make any other charges to the Account including a Purchase or Cash Advance.

You or your means each Cardholder or an Authorized User.

2. USING THE ACCOUNT

You may use the Account for:

- Purchases;
- Cash Advances;
- Access to your other accounts at the Bank or our affiliates; and
- Any other purpose that we agree to.

The Primary Cardholder is responsible for and must pay us the Balance on the Account. If you want another Cardholder or any other person to repay you for any amount paid or owing on the Account, it is your responsibility, not the Bank's, to make the appropriate arrangements with that Cardholder or other person.

You must not allow any person other than a Cardholder to use the Account. If a Cardholder lets someone else use the Account or a Card, you are still responsible for any use of the Account or a Card, even if a Cardholder wanted to limit that use.

We can let any Cardholder give us instructions for the Account without the approval of or notice to the other Cardholders. The Primary Cardholder can request us to issue a Card to any person without notice to any other person. We may limit the number of Cards issued on the Account.

When you pay for goods and services using your Card number without using your Card or entering your PIN (for example by mail, telephone, Internet, mobile or any other electronic method), we will treat that use the same as if you had shown your Card.

You may not use the Card before the *valid from* date or after the expiry date shown on the Card. However, if any amounts are charged to the Account before the *valid from* date or after the expiry date, the Primary Cardholder is responsible for, and must pay us those amounts.

We can stop providing TD *Visa* Cheques at any time. We can also refuse to process any TD *Visa* Cheque. We do not allow stop payments on TD *Visa* Cheques.

If you use the Card outside of Canada to withdraw cash from the Bank or with our affiliates, the withdrawal may be treated as a Cash Advance from the Account, rather than a cash withdrawal from your other account because of certain limitations in some countries.

You agree not to use the Card or the Account for anything illegal or fraudulent.

We may block use of the Card or the Account without telling you in advance if we suspect illegal, unauthorized or fraudulent use of the Account. This includes transactions relating to Internet gambling or where we have any other reasonable grounds to do so.

You agree you will use the Card or the Account for personal, family or household purposes and not for business purposes.

You should be aware that under U.S. Office of Foreign Asset Control (OFAC) regulations, customers who are U.S. Citizens are subject to regulations that limit the use of their Cards in certain jurisdictions sanctioned by OFAC, and that similar regulations may exist in other jurisdictions that apply to their citizens.

3. UNAUTHORIZED TRANSACTIONS

You are not responsible for unauthorized Transactions. A Transaction is considered an “unauthorized Transaction” if we complete an investigation and determine that:

- The Account was used by someone other than you;
- You did not receive any benefit from the Transaction;
- You co-operated fully with us in our investigation; *and*
- You followed your responsibilities under this Agreement, including in these sections:
 - (i) **“Unauthorized Transactions”**,
 - (ii) **“Using the Account”**
 - (iii) **“Electronic Services; Use and Protection of a Card, PIN or Password”**, *and*
 - (iv) **“Lost or Stolen Cards”**.

You are also not responsible for any Transactions made on the Account that occur *after* you promptly tell us that a Card has been lost or stolen because we will also consider them unauthorized Transactions.

4. CREDIT LIMIT AND OVERLIMIT

We set the maximum amount that you can charge to the Account (the **Credit Limit**).

The initial Credit Limit is on the Disclosure Statement. We may lower the Credit Limit at any time without telling you in advance. We will not increase the Credit Limit unless we first obtain the express consent of the Primary Cardholder to do so. We display the Available Credit on the statement. Your Available Credit may not be up to date at all times, including if a payment or other Transaction has not yet been processed or posted to the Account. Some merchants may pre-authorize the amount or estimated amount of a Purchase and that will reduce the Available Credit.

We can allow any Transaction or the Balance to exceed the Credit Limit without telling you first, but we are not required to do so even if we have done so before.

If we allow any Transaction or the Balance to exceed the Credit Limit, the Primary Cardholder is responsible for, and must pay, the amount that exceeds the Credit Limit on or before the Payment Due Date.

The Account may be charged an overlimit fee, as shown on the Disclosure Statement. Only one overlimit fee is charged per statement period. The Primary Cardholder must pay the Balance owing on the Account, whether or not it exceeds the Credit Limit.

5. MINIMUM PAYMENT

You must pay at least the Minimum Payment shown on your statement on or before each Payment Due Date. We calculate the minimum payment as described in the Disclosure Statement.

6. PAYMENT DUE DATE

The Payment Due Date is shown on your statement. It is always at least 21 days from your Statement Date. This time period may extend depending on your payment activity. For example, if we do not receive payment of the Balance shown on your statement on or before the Payment Due Date, the Payment Due Date on your next statement will be 25 days after your Statement Date. **Any interest still applies during this period.** When we receive payment in full of your Balance on or before the Payment Due Date, the number of days between the Statement Date and the Payment Due Date on your next statement will revert back to your standard Grace Period (the Grace Period is defined below). If the Payment Due Date falls on a Saturday, Sunday or holiday in Canada, we will extend the Payment Due Date to the following business day. **Any interest still applies during this period.**

7. GRACE PERIOD AND INTEREST

Grace Period

The grace period starts on the day after your Statement Date and ends on your Payment Due Date ("**Grace Period**"). You have a Grace Period of at least 21 days to make your payment.

Interest-Free Grace Period on New Purchases and Fees

We will not charge interest on new Purchases and fees that appear for the first time on your statement ("**New Purchases**") as long as we receive payment of the Balance shown on your statement on or before your Payment Due Date. If you pay an amount that is less than your Balance shown on your statement, then we will charge interest on those New Purchases starting from their transaction date until the amount of those New Purchases is paid in full.

This interest-free Grace Period does not apply to Cash Advances. We charge interest on Cash Advances as described in the "**Interest on Cash Advances including Balance Transfers, Cash-Like Transactions and TD Visa Cheques**" section.

How We Calculate and Charge Interest

Interest is calculated at the applicable annual interest rate(s), as initially shown in the Disclosure Statement.

If interest applies, we calculate interest as follows:

- add the amount you owe each day in each Transaction category (for example, the amount of Purchases or Cash Advances) and divide that total by the number of days in your statement period (usually 30 or 31). This is your average daily balance for the amount you owe in each Transaction category (the "Average Daily Balance").
- multiply the Average Daily Balance by the daily interest rate(s) that applies (the daily interest rate(s) is equal to the annual interest rate(s) divided by 365 (or 366 in a leap year)); then multiply the result by the number of days in your statement period.

The total is the amount of interest we charge on each statement on the last day of your statement period.

If different daily interest rate(s) apply to the Average Daily Balance, we use the different daily interest rate(s) in our calculation (for example, a promotional interest rate Balance Transfer will use a different daily interest rate than your regular Purchases).

If interest is charged, we charge it on any amount you owe from the transaction date until that amount has been paid in full.

We do not charge interest on interest.

If we do not receive the Minimum Payment within 30 days from the Payment Due Date shown on your statement then:

- a) The annual interest rate(s) that applies to the Account will go up 5%; and**
- b) You will lose the benefit of any lower rate promotional offer on the Account (including any offer made but not yet accepted by you).**

The increased rate(s) will apply starting on the first day of your next statement period after the 30 day period from the missed payment. You will continue to pay these higher interest rate(s) until you have paid the Minimum Payment on or before the Payment Due Date shown on your

statement for twelve consecutive statements and then, your regular annual interest rate(s) will apply starting on the first day of your next statement period after those twelve consecutive statements.

Interest on Cash Advances including Balance Transfers, Cash-Like Transactions and TD Visa Cheques

We always charge interest on Cash Advances from the transaction date of the Cash Advance until the amount of the Cash Advance is paid in full. When you transfer funds from the Account through a Balance Transfer, obtain a Cash-Like Transaction or use a TD Visa Cheque, we treat that Transaction as a Cash Advance. If you are uncertain whether a Transaction will be treated as a Cash Advance, please call us at 1-800-983-8472 or collect at (416) 307-7722.

8. FOREIGN CURRENCY TRANSACTIONS

If you use the Account to make Purchases or obtain Cash Advances in U.S. Dollars, Euros, Great British Pounds, Australian Dollars, or Mexican Pesos, the foreign currency will be converted directly to Canadian Dollars before it is recorded in the Account. If you use the Account to make Purchases or obtain Cash Advances in any other foreign currency, the currency will be first converted to U.S. Dollars and then to Canadian Dollars before it is recorded in the Account. Credits to the Account involving a foreign currency will also be converted directly to Canadian Dollars, or first to U.S. Dollars and then to Canadian Dollars, depending on the foreign currency involved as set out above.

For debit Transactions, currency will be converted by applying a rate established by VISA plus a fixed percentage as shown in the Disclosure Statement. For credit Transactions, currency will be converted by applying a rate established by VISA minus a fixed percentage as shown in the Disclosure Statement. As a result, for credit Transactions made in respect of prior, related debit Transactions, the Canadian Dollar amount credited to the Account will in most cases be less than the Canadian Dollar amount that was originally debited to the Account. The rate that is used will be the rate on the date that a Transaction is recorded in the Account and may be different from the rate in effect on the date of the Transaction.

When we convert a Transaction, in some cases it will appear on your statement displaying only the first five decimal places after the decimal point, even though we used the more detailed calculation above.

9. STATEMENTS

We provide a statement if there is any activity on the Account during the last month or there is any outstanding Balance. However, if during any three-month period, there is an outstanding credit Balance on the Account that is less than \$10 *and* there has been no activity on the Account during that three-month period, we may provide a statement only at the end of that three-month period. We do not always provide statements on the same date in each month, therefore the Payment Due Date on your statement may not always be the same.

You must immediately review each statement and tell us about any errors. We will investigate errors that you tell us about within 30 days of the statement date.

If you do not tell us about errors within 30 days of the statement date, we will consider the statement, every item on it and our records to be correct (except for any amount that has been credited to the Account in error). This means that you may not make any claim against us *after* that 30 day period.

10. HOW WE COMMUNICATE WITH YOU

We will send statements and other communications by ordinary mail to the address in our records for the Primary Cardholder. With the Primary Cardholder's consent, and if we agree to do so, we may also send statements and other communications by another method, including electronically. We may also send copies of the statements and other communications to an Authorized User if requested to do so or required by law. The Primary Cardholder and each Authorized User agrees that we can share the statement, any information on the statement or other communications or information about the Account with any Cardholder without telling the other Cardholders. We consider communication to the Primary Cardholder as communication to all Cardholders.

You must tell us immediately about any address change or other information to keep our records current. We are not responsible if the Primary Cardholder does not receive a statement or other communication if we send it to the address or other contact information we have in our records. For our mutual protection, we may record telephone calls that relate to the Account.

If there is fraud or potential fraud on the Account, we may send you communications by telephone, mail, email, SMS text message or any other electronic communication method.

11. LOST OR STOLEN CARDS

You must tell us immediately by telephone or in writing if you know or suspect that a Card is lost or stolen, or if you know or suspect that your Card or the Account is being used without your authority. Our toll free number is 1-800-983-8472, or collect at (416) 307-7722. Once you have told us that your Card or Account is lost, stolen or used without your authority, we will be able to prevent use of that Card and the Account number.

12. MAKING PAYMENTS

We must receive payment on or before each Payment Due Date shown on the statement. Payments to the Account can be made at any time.

Payments made by mail or at the branch, ATM or online banking service of another financial institution may take several days to reach us. You are responsible to make sure that your payment is received by us on or before the Payment Due Date. If a payment is made during our normal business hours we treat it as made on the same day, otherwise we will treat the payment as received by us on the next business day.

13. HOW WE APPLY PAYMENTS

We will apply payments on the Account first towards your Minimum Payment in the following order:

- 1) first to any interest that appears on your statement;

- 2) second to any fees that appear on your statement;
- 3) third to any Transactions that appear on your statement, including any amount that exceeds your Credit Limit or any past due amounts;
- 4) fourth to any fees and other Transactions that do not yet appear on your statement

In any of the above categories 1 to 4, the amounts with the lowest interest rate(s) are paid first before those with higher interest rate(s).

If you pay more than your Minimum Payment, once we have applied the payment to the Minimum Payment, we will then apply any excess amount to the remaining Balance on your statement, as follows:

- (i) All items that have the same interest rate(s) will be placed into the same category. For example, if your Balance is made up of Purchases and promotional Balance Transfers, then all items at your regular interest rate for Purchases are placed in one category and all promotional Balance Transfers are placed in a different category because of the different interest rates that applies to each of them.
- (ii) We will then apply the excess payment to the different interest rate(s) categories in section (i) above, in the percentage (%) the amount in each category represents to the remaining Balance. For example, if the amount of your Purchase category represents 70% of your remaining Balance and the amount of your promotional Balance Transfer category represents 30% of your remaining Balance, we apply 70% of your excess payment towards the amount of the Purchase category and 30% of your excess payment towards the amount of your promotional Balance Transfer category.

If you pay more than your Balance on your statement, we apply the excess amount of your payment to Transactions that have not yet appeared on your statement, in the same way as we have described above for payments to the remaining Balance.

We can apply late or partial payments that we receive without losing any rights we have under the Agreement or by law, to collect all amounts that are owed to us on the Account.

14. OUR RIGHTS IF YOU DO NOT FOLLOW THIS AGREEMENT

If you do not make the minimum payment on or before the Payment Due Date on your statement, or otherwise do not follow this Agreement, or if anything occurs which causes us to believe that you will be unable to make a payment or otherwise not be able to follow this Agreement:

- a) we may require you to pay the entire Balance on the Account immediately, plus interest on that Balance at the annual interest rate(s) on the Account at that time;
- b) we may, without notice, deduct money from any other account that you have with us or any of our affiliates which would include any member of the TD Bank Group, and use it to pay the amount that is owing to us; and

- c) you must pay all our legal expenses on a solicitor and own client basis (including legal fees of our internal counsel) for attempting to collect what is owing to us).

15. PAYMENTS AND CREDITS

If we owe you any amount on the Account (a “credit Balance”) we will not pay you interest on that credit Balance. A credit Balance will not be insured as a deposit. A credit Balance on the Account will not increase your Available Credit or Credit Limit.

We are not responsible if you cannot access funds from the Account or a credit Balance. You must not deposit a cheque or other item to the Account to obtain a Cash Advance or otherwise use the Account if you have any reason to believe that the cheque or other item will not clear.

16. OWNERSHIP OF CARD

The Card is our property. We can cancel or take the Card back or require you to return the Card to us at any time.

17. RESPONSIBILITY FOR SERVICES

If you have any problems with Purchases on the Account, you must settle them directly with the merchant. You must still pay us the full amount of the Purchase, even if you have a dispute with the merchant.

If a merchant gives you a refund and we receive a credit voucher from the merchant, we will credit the Account with that refund. But, if interest is charged on a Transaction that you are disputing with the merchant, we will not refund the interest charged. We do not treat credits from merchants as payments.

We are not responsible for benefits, services and coverages that other companies provide for the Account. You must pay us any amount charged to the Account for these benefits, services and coverages. These benefits, services and coverages have their own terms set by the companies providing them. You must settle any disputes directly with those companies.

If we credit the Account, you agree that your rights and claims are assigned to us and you will cooperate with us and sign any documents to evidence that assignment before we credit the Account. However, we do not have to credit the Account and if we do credit the Account, it does not mean we will credit the Account in the future.

18. ELECTRONIC SERVICES – USE AND PROTECTION OF A CARD, PIN OR PASSWORD

This section applies when you use a Card or the Account including if we allow you to access or use the Card or the Account with a personal identification code such as a Personal Identification Number (**PIN**) or Connect ID, password, pass code or identification code or other credentials (all together the **Password**), through a terminal, including one that accepts contactless payment cards, or other machine such as an ATM, telephone, the Internet, or other electronic service including a mobile device.

- a) For access to or use of the Account through EasyLine® telephone banking, EasyWeb® Internet banking, mobile banking or to make electronic bill payments - the Bank's Financial Services Terms applies if the Cardholder has signed a Financial Services Agreement, or the *Cardholder and Electronic Financial Services Agreement* applies if the Cardholder has not signed a Financial Services Agreement.
- b) Care and control of the Card, PIN and Password — You are responsible for the care and control of the Card, PIN and Password. You must maintain them safely at all times. This includes that you must:
- keep possession of the Card;
 - keep your PIN and Password separate from the Card;
 - keep your PIN and Password strictly confidential;
 - take all reasonable precautions to make sure that no one finds out your PIN or Password, including while you key in your PIN or Password at an ATM or other machine or mobile device;
 - avoid PIN or Password combinations that may be easily guessed by others, such as birthdays, phone numbers, age, social insurance number, etc.;
 - make sure that each PIN or Password is unique; and
 - contact us immediately if your Card is lost or stolen or your PIN or Password becomes known to any other person other than you.
- c) Your responsibility for use of the Card, PIN and Password — You are responsible for all authorized activity or other Transactions resulting from use of the Card or PIN or Password by any person, including any entry error or fraudulent or worthless deposit at an ATM or other machine or device. When you promptly tell us that your PIN, Password or Card is lost or stolen or may have become known to an unauthorized person, we will block the use of the Card, PIN or device, to prevent use of your Account number. See the **“Unauthorized Transactions”** section for your responsibility for unauthorized Transactions.
- d) Account activity — Our records are the final proof of use of a Card or the Account, including electronic services. They are evidence of your written request to perform a Transaction. Even if you are provided with a Transaction receipt or other confirmation, through an ATM or other machine or device, the following still applies to all Transactions or other activity on the Account:
- our acceptance, count and verification of Transactions or deposits is deemed correct and binding unless there is an obvious error; and
 - Transactions or other activity on the Account through an ATM or other machine or device may be credited or debited by us to the Account on a date determined by us. This date may be different than the date on which you used the ATM, or other machine or device.

- e) *Verified by Visa* – You must register for and use the *Verified by Visa** program in order to access or use the Account for Internet transactions with merchants participating in the *Verified by Visa* program. The *Verified by Visa* Cardholder Terms of Services applies when you access or use the Account for the *Verified by Visa* program.

19. LIMITS ON OUR DAMAGES

We are not responsible for any damages (including special, indirect or consequential damages) from:

- any failure, error, malfunction or inaccessibility of any Card, ATM, terminal or other machine or equipment including a mobile device, or
- if, for any reason your Card is not accepted, or you cannot use the Account for any reason, even if we knew that damage was likely or the damage was a result of our negligence or the negligence of our employees, agents or representatives.

20. PRE-AUTHORIZED PAYMENTS

The Primary Cardholder is responsible for all pre-authorized payments (**PAPs**) charged to the Account. This includes PAPs charged to the Account before the Agreement is cancelled or after the Agreement ends, or charges by any Authorized User, or those that are made after an Authorized User Card has been cancelled, unless the merchant receives a written request from you to cancel the PAP before the PAP is charged to the Account.

You must contact a merchant in writing if you want to cancel any PAP and then check the statement to confirm the PAP was cancelled. If the PAP was not cancelled, we may be able to assist you if you provide us with a copy of the written cancellation request you sent to the merchant. You must provide merchants with adequate, correct and up-to-date information for any PAPs, including if your Card number or Card expiry date changes. However, if you have a PAP with a merchant and your Card number or Card expiry date changes, you agree that we may, but we are not required to, provide that merchant with your new Card number or Card expiry date including by using the updating service provided to us through your Card's payment card network. We are not responsible if any PAPs cannot be posted to the Account. You must settle any dispute or liability you may have for the Transactions relating to those PAPs directly with the merchant involved.

21. CANCELLING AUTHORIZED USER CARDS

We may cancel an Authorized User Card, or limit access to the Account by an Authorized User Card at any time without telling you in advance. The Primary Cardholder can also tell us to cancel any Authorized User Card. The Primary Cardholder must obtain and destroy the Authorized User Card or confirm that the Authorized User Card is in the Primary Cardholder's possession. An Authorized User may also instruct us to cancel their own Authorized User Card.

The Primary Cardholder is still responsible to pay us for any amounts owing on the Account for Transactions by an Authorized User even if an

Authorized User Card is cancelled or if the Primary Cardholder is unable to cancel, obtain or destroy the Authorized User Card.

22. CHANGES TO THIS AGREEMENT AND THE ACCOUNT

We may make changes to this Agreement at any time. We will tell you about a change in the statement or by other notice to you. We will provide advance notice of a change if required by law and for other changes, we will provide you with advance notice unless we are not able to do so. Your regular annual fee, annual interest rate(s), fees and other charges for the Account are shown on the initial Disclosure Statement. If we increase your annual fee, annual interest rate(s), fees or any other charges for the Account, we will provide you with advance notice of those changes.

If you sign, use or activate any Card or the Account, if your Account remains open, or if any Balance owing on the Account remains unpaid after the change is made, it will mean you have accepted any change to the Agreement.

Benefits, services and coverages for the Account may also change or end. We will provide you notice of a change in your statement or in some other way, after the change is made, unless we must provide advance notice by law.

23. TRANSFER OF RIGHTS

We may transfer, sell or otherwise assign all of our rights under this Agreement. If we do so, we may disclose information about you and the Account to anyone to whom we assign our rights.

24. ENDING THIS AGREEMENT

We may end this Agreement, close the Account or limit your right to access the Account at any time without telling you in advance. The Primary Cardholder may also end this Agreement by telling us.

Even if this Agreement is cancelled, the Primary Cardholder is still responsible to pay all amounts owing on the Account.

When the Agreement ends, benefits, services and coverages will automatically end, or we can cancel or change them at our discretion.

25. LIABILITY

The Primary Cardholder will be responsible for payment of all amounts owed to us under this Agreement, including Transactions made by an Authorized User.

26. HEADINGS

The headings to each section of this Agreement are added for convenience and do not change the meaning of any sections of this Agreement.

27. ENFORCEABILITY

If it is found by a court that any portion of this Agreement is invalid or cannot be enforced, the remainder of the Agreement will remain valid.

28. WHAT LAW APPLIES

The laws of the province or territory in Canada where you live or where you most recently lived and the laws of Canada apply to this Agreement. If you have not lived in Canada, the laws of the Province of Ontario and Canada apply to this Agreement.

29. LANGUAGE: (FOR QUEBEC ONLY)

TD TRAVEL REWARDS PROGRAM TERMS AND CONDITIONS

In this section, the words “**we**”, “**us**” and “**our**” mean: 1) the Bank; and 2) the Expedia For TD online and phone channels (“**Expedia For TD**”) that are operated by Expedia, Inc. (“**Expedia**”). “**Program**” means the TD Travel Rewards Program associated with the Account and includes all Program privileges and travel reward benefits, including TD Points. “**Travel Purchases**” means all Purchases of travel and related services (including bookings) under the Program charged to the Account. All Travel Purchases made through Expedia For TD are provided by Expedia or its agents or suppliers. All Travel Purchases made under the Program, but not using Expedia For TD, are provided by third party agencies, suppliers or other travel providers, including any online sites or phone channels operated by Expedia (except for Expedia For TD) and any other online travel agencies, suppliers or providers (the “**Other Travel Providers**”). Applicable terms of the TD *Classic Travel Visa* Cardholder Agreement apply to the Program, as do the following additional terms and conditions, which together are referred to as this Agreement.

TD Points

TD Points are earned for Purchases charged to the Account as follows:

- 1) Two (2) TD Points are earned for each one (1) dollar in Purchases;
- 2) Four (4) TD Points are earned for each one (1) dollar in Travel Purchases made online through Expedia For TD; and
- 3) Three (3) TD Points are earned for each one (1) dollar in Travel Purchases made by phone through Expedia For TD.

All fees, Cash Advances (including Balance Transfers and TD *Visa* Cheques), interest charges, optional services, refunds, rebates or other similar credits do not earn TD Points unless there is a special promotion. Credits for refunds, returned items, rebates and other similar credits will reduce or cancel the TD Points earned by the full or partial amount originally charged to the Account.

When you redeem TD Points towards a Travel Purchase charged to your Account:

1) The dollar value of the redeemed TD Points is applied as a credit to the original amount of the Travel Purchase charged to your Account, leaving you with a net Travel Purchase amount, if any, that is charged to your Account (the “**Net Amount**”); and 2) You will earn TD Points only on the Net Amount. For more details, refer below to “**TD Points Redemption**”.

We will provide you with the TD Points balance (the “**TD Points Balance**”) within the monthly statement for the Account. You must promptly and carefully examine the TD Points Balance and tell us in writing of any errors in the TD Points Balance. In the event of an error, our only responsibility is to correct the error. If you do not tell us about an error within thirty (30) days of the statement date of the monthly statement for the Account, the TD Points Balance will be considered correct and you may not afterwards make any claim against the Bank relating to your TD Points Balance. However, we can adjust the TD Points Balance on the Account at any time.

TD Points from the Account cannot be combined or pooled with TD Points from another TD Credit Card Account unless you are the Primary Cardholder on each TD Credit Card Account.

TD Points cannot be transferred upon the death of the Primary Cardholder, except to an Authorized User who applies, qualifies and becomes a Primary Cardholder.

We may let you redeem TD Points towards items other than Travel Purchases such as merchandise and gift cards. If we do, you will agree to the additional terms and conditions that will apply to that redemption option in addition to these TD Travel Rewards Program Terms and Conditions.

TD Points have no cash value and cannot be redeemed for cash or credit except as we may permit.

TD Points are void if sold, bartered or assigned. TD Points cannot be divided or transferred in the event of separation or divorce.

TD Points Expiry

TD Points will not expire as long as the Account remains open in good standing, and this Agreement has not ended. In the event that we end the Agreement for any reason, all TD Points will expire immediately. If the Account is in good standing and the Primary Cardholder ends this Agreement and/or transfers to another TD Credit Card Account, any accumulated TD Points from the Account can only be transferred to another TD Credit Card Account that earns TD Points provided that the Primary Cardholder is the Primary Cardholder of that other TD Credit Card Account. Otherwise, TD Points from the Account must be redeemed within ninety (90) days of the date of the transfer to another TD Credit Card Account or when this Agreement ends. We can delay the expiry of TD Points and that delay will not set a precedent for any future TD Points expiry.

Making Travel Purchases

1) Through Expedia For TD

The Cardholder can make Travel Purchases through Expedia For TD by:

- 1) Redeeming TD Points to cover the full cost of the Travel Purchase;
- 2) Combining the redemption of TD Points and a charge to the Account to

cover the full cost of the Travel Purchase; or 3) Charging the full cost of the Travel Purchase to the Account.

Travel Purchases can only be made through Expedia For TD by using TD Points alone, by using the Account alone or by a combination of TD Points and the Account.

2) Through Other Travel Providers

A Cardholder may also make a Travel Purchase through Other Travel Providers by charging the full cost (or any portion) of the Travel Purchase to the Account. To redeem TD Points towards any amount of a Travel Purchase made at Other Travel Providers, refer below to **"TD Points Redemption"**.

Who Can Make Travel Purchases

All Cardholders are entitled to make Travel Purchases under the Program, using their Card at Expedia For TD or at Other Travel Providers, whether or not TD Points are or will be redeemed for that Travel Purchase.

Travel Arrangements

1) Through Expedia For TD

Every effort will be made to ensure that all your travel requirements are met. However, your travel is based on travel supplier-available space and seating and is subject to terms and conditions of the travel supplier, such as pre-payment requirements. Travel space and prices are not confirmed until Expedia For TD confirms the reservation with the travel supplier. It is the Cardholder's responsibility to instruct Expedia For TD to confirm the reservation with the travel supplier. A reservation, which merely holds your space, does not guarantee the price.

Once your travel arrangement has been confirmed, the treatment of any routing changes, changes to travel dates, cancellations, "no-shows", additional charges such as any taxes and any other changes will be solely at the discretion of the travel supplier or other third party and are not our responsibility. Travel supplier policies may vary from time to time and may differ among travel suppliers. It is the Cardholder's responsibility to know the relevant policies, terms and conditions of the travel supplier.

Expedia For TD will make every reasonable effort to provide travel information upon your request. However, we accept no responsibility or liability in the event that failure to provide you with information results in travel arrangements that have a higher cost or differ in any way from arrangements that may be available through other travel suppliers.

2) Through Other Travel Providers

You are responsible for confirming the details and terms and conditions of Travel Purchases made through Other Travel Providers, including all travel supplier restrictions and reservations that apply to those Travel Purchases, even if you redeem TD Points under the Program towards those Travel Purchases.

Travel Documents

1) From Expedia For TD

All correspondence and travel documents provided by Expedia For TD will be sent to the Primary Cardholder's address appearing in our records at

Expedia For TD or by following the instructions we receive from the Primary Cardholder. However, Expedia For TD does not offer facilities to pick up travel documents in person.

We are not responsible for any failure to receive correspondence and travel documents if we send them to the address or other contact information for the Account, appearing in our records at Expedia For TD, or by following the instructions we receive from the Primary Cardholder.

You and your travel companions are responsible to ensure that you have in your possession, on departure and as otherwise required, all necessary travel documents as required by law. If you do not have the necessary travel documents, you may be denied boarding by the travel supplier. We are not responsible if you do not have the necessary travel documents and you will not be entitled to any compensation from us. It is your responsibility to check with the airlines and other travel suppliers for all estimated departure times, arrival times and check-in times.

Some travel suppliers will not board passengers unless the passengers have checked in within an appropriate amount of time prior to departure. The appropriate amount of time is determined by the airline or other travel supplier in advance of departure.

2) From Other Travel Providers

You are responsible for confirming the details and terms and conditions of Travel Purchases made through Other Travel Providers, including all travel documents and correspondence required and arrangements for obtaining them from the Other Travel Providers, even if you redeem TD Points towards those Travel Purchases.

TD Points Redemption

TD Points can be immediately redeemed for Travel Purchases made through Expedia For TD at the time you make the Travel Purchase, as explained below.

For Travel Purchases made through Other Travel Providers, TD Points must be redeemed after the Travel Purchase has been made as explained in **“Redeeming TD Points after a Travel Purchase has been made through Other Travel Providers”** section 2 below.

To redeem TD Points, the Account must be open, in good standing, and not in default under the terms and conditions of this Agreement. TD Points can only be redeemed by the Primary Cardholder or an Authorized User.

TD Points that have not been recorded in your TD Points Balance cannot be redeemed. TD Points are not earned on any Purchases that are not posted to the Account, including any Travel Purchases made through Other Travel Providers. This means that until the Purchase is posted to the Account and the TD Points earned on that Purchase have been recorded in your TD Points Balance, you cannot redeem any TD Points that you may earn on that Purchase.

You can redeem TD Points under the Program for any amount of a Travel Purchase as follows: 1) You can redeem the required number of TD Points to cover the full amount of the Travel Purchase. If the dollar value of the TD Points redeemed exceeds the full amount of any Travel Purchase, your Account will not be credited for more than the full amount of the Travel

Purchase; or 2) You can redeem the required number of TD Points for any portion of the Travel Purchase. Your Account will be credited with an amount equal to the dollar value of the TD Points redeemed.

The Net Amount of any Travel Purchase will remain on the Account and the Primary Cardholder is responsible for payment of the Net Amount.

Whether a Travel Purchase is made through Expedia For TD, or through Other Travel Providers, if any TD Points are redeemed towards that Travel Purchase, TD will provide a credit for those redeemed TD Points in an amount equal to the dollar value of those TD Points.

1) Redeeming TD Points for Travel Purchases made through Expedia For TD

Every 10,000 TD Points redeemed are worth \$50 in travel savings off the cost of Travel Purchases made through Expedia For TD. Redemptions can only be made in 10,000 TD Point increments. We can decrease the required minimum TD Point redemption increment at any time.

When you make a Travel Purchase through Expedia For TD, you can only redeem those TD Points that are recorded in your TD Points Balance at the time you are making that Travel Purchase, even if the Travel Purchase requires only a deposit at that time. As a reminder, when you redeem TD Points towards a Travel Purchase that you are making through Expedia For TD, any credit that is applied to your Travel Purchase for the TD Points you are redeeming will reduce or cancel the TD Points to be earned for that Travel Purchase. When you redeem TD Points towards only a portion of your Travel Purchase: 1) The dollar value of the TD Points you have redeemed will be applied as a credit to the full amount of that Travel Purchase charged to your Account and only the Net Amount of that Travel Purchase will be charged to your Account; and 2) You will only earn TD Points on the Net Amount of that Travel Purchase.

2) Redeeming TD Points after a Travel Purchase has been made through Other Travel Providers

For each Travel Purchase made through an Other Travel Provider, a Cardholder can redeem TD Points towards the amount of that Travel Purchase as follows:

1. For the first \$1,200 of that Travel Purchase (equal to 300,000 TD Points):
 - Every 250 TD Points redeemed equals \$1 in travel savings for that Travel Purchase amount.
2. For each \$1 over the first \$1,200 of that Travel Purchase:
 - Every 200 TD Points redeemed are worth \$1 in travel savings for that Travel Purchase amount that is over the first \$1,200.

This means that when you redeem TD Points towards a Travel Purchase made at an Other Travel Provider:

- 250 TD Points = \$1 in travel savings for up to the first 300,000 TD Points you redeem for that Travel Purchase; and
- 200 TD Points = \$1 in travel savings for any TD Points over the first 300,000 TD Points that you redeem for that Travel Purchase.

Redemptions can only be made in 250 or 200 TD Point increments, as applicable.

For example:

A. Travel Purchase of \$1,200 and Under

Cost of Travel Purchase at Other Travel Provider:	\$1,175
TD Points redeemed to cover cost in full:	293,750 TD Points
	<i>Calculation:</i> $(\$1,175 \times 250 \text{ TD Points} = 293,750 \text{ TD Points})$

B. Travel Purchases of \$1,201 or More

Cost of Travel Purchase at Other Travel Provider:	\$2,275
TD Points redeemed to cover cost in full:	515,000 TD Points
	<i>Calculation:</i> $(\$1,200 \times 250 \text{ TD Points} = 300,000 \text{ TD Points})$ + $(\$1,075 \times 200 \text{ TD Points} = 215,000 \text{ TD Points})$

In summary:

- Every 250 TD Points (up to the first 300,000 TD Points redeemed for a Travel Purchase of \$1,200 or under) are worth \$1 in travel savings for that Travel Purchase.
- After the first 300,000 TD Points are redeemed for a Travel Purchase of more than \$1,200, every 200 TD Points are worth \$1 in travel savings for the amount of that Travel Purchase that is over \$1,200.

For Travel Purchases made through Other Travel Providers, TD Points must be redeemed within ninety (90) days after the Travel Purchase has been posted to the Account. You cannot redeem TD Points through Other Travel Providers. To determine when a Travel Purchase has been posted to your Account, you can view your transactional history for the Account online through our EasyWeb® Internet banking or allow the Travel Purchase to appear on your next monthly statement after the transaction date of that Travel Purchase. As a reminder, when you redeem TD Points towards a Travel Purchase that you made through Other Travel Providers, any credit for the TD Points to be redeemed and applied to your Account for your original Travel Purchase amount will reduce or cancel the TD Points that were earned for that Travel Purchase. When you redeem TD Points towards only a portion of your original Travel Purchase charged to your Account: 1) The dollar value of the TD Points you have redeemed will be applied as a credit to your Account to reduce the full amount of your original Travel Purchase; and 2) You will only earn TD Points on the Net Amount of your original Travel Purchase.

Other Rewards Programs

Although Travel Purchases made through Expedia For TD or through Other Travel Providers may earn frequent flyer miles, points or other benefits from other travel rewards programs ("**Other Benefits**"), you cannot redeem Other Benefits under the Program. We will not book all or any portion of your Travel Purchase for which you are using Other Benefits. If you are using Other Benefits (in whole or in part) for your Travel Purchase, you must make such Travel Purchase directly with the originating issuer of your Other Benefits. We are not responsible for the issue or redemption of Other Benefits.

Taxes

The payment of all applicable taxes related to travel reward benefits under the Program, including Travel Purchases made through Expedia For TD or through Other Travel Providers, is your sole responsibility. Some of the applicable taxes may be charged to the Account and/or paid by redeeming TD Points at the time you make the Travel Purchase through Expedia For TD, while other taxes may be otherwise collected from the Cardholder such as upon arrival at, or departure from, the Cardholder's destination.

The credit provided by the Bank for the amount of any TD Points redeemed by the Cardholder towards a Travel Purchase or towards taxes payable on that Travel Purchase, whether purchased through Expedia For TD or through Other Travel Suppliers, will not result in the Bank being responsible for the payment of any applicable taxes relating to Travel Purchases made through Expedia For TD or through any Other Travel Provider.

The amount of any taxes or other charges associated with your Travel Purchase that are imposed by travel suppliers or other third parties (including any Other Travel Provider) is your sole responsibility and may change at any time without notice, even after the date that the Travel Purchase arrangements have been confirmed. Any personal income tax liability that may arise from the receipt or redemption of TD Points is your sole responsibility.

Liability for Travel Suppliers

We accept no responsibility or liability for the failure of any travel supplier, including any Other Travel Provider, to perform travel arrangements for any reason or for any other actions, errors or omissions by a travel supplier or Other Travel Provider. We will not, under any circumstances, assume any liability for any loss or damage caused by goods or services supplied or requested in connection with the Program. We accept no responsibility or liability if travel arrangements are voluntarily or involuntarily rerouted, downgraded or upgraded from your original paid itinerary and class of service by a travel supplier or Other Travel Provider or for any other changes or substitutions that a travel supplier or Other Travel Provider may make. It is the Primary Cardholder's responsibility to know the relevant policies, terms and conditions of the travel supplier, including those of any Other Travel Provider.

Changes and Termination

We reserve the right to change any of the rules, regulations, terms, conditions, restrictions, benefits, procedures and suppliers of services

in respect of the Program and the Account, in whole or in part, with or without prior notice. However, when no prior notice is provided, we will make every effort to inform you of such changes as soon as possible after they are made. We are not responsible for market changes beyond our control.

We may terminate the Program at any time. If the Program is terminated, TD Points may only be redeemed within ninety (90) days from the date of our notice of Program termination. We reserve the right to cancel or make changes to the Account, TD Points, or travel reward benefits related to the Program, with or without notice, for any reason, including if you abuse the Program privileges, do not comply with this Agreement, misrepresent any information provided to us or if you conduct yourself in a manner detrimental to us or the interests of the Program.

Interpretation and Limitation of Liability

We will be the final authority on the interpretation of all rules, regulations, procedures, terms, conditions, restrictions and benefits of the Program as outlined in this Agreement.

We are not responsible or liable for any loss suffered by Cardholders or third parties relating to the Program, TD Points, any travel suppliers, including Other Travel Providers, travel reward benefits, terms and conditions of the Program or as a result of changes to, or termination of, the Program, Card(s) or the Account.

We will not be liable for any damages relating to the Program, TD Points, any travel suppliers, including Other Travel Providers, or travel reward benefits. As well, the Bank accepts no liability or responsibility for any Travel Purchases made under the Program through Expedia For TD.

Any Cardholder may be subject to claims and may lose Program privileges if they do not comply with this Agreement.

Every effort has been made to ensure that the information in materials provided to Cardholders from time to time, including by Expedia For TD, is accurate. However, we will not be liable for any information provided to you that contains mistakes or is incomplete, or for any loss to, or damages suffered by, Cardholders arising from such missing or incomplete information. We do not review any materials or information that are/is provided to you by or through any travel suppliers, including Other Travel Providers, and we are not liable for any errors or omissions that may be contained in that information or materials.
