Amex Auto Purchase Program

*Between 7/1/13 and 9/30/13, the average estimated savings off MSRP presented by TrueCar Certified Dealers to users of the American Express Auto Purchasing Program, based on users who configured virtual vehicles and subsequently purchased a new vehicle of the same make and model listed on the certificate from Certified Dealers, was \$3,146, including applicable vehicle specific manufacturer incentives. Your actual savings may vary based on multiple factors including the vehicle you select, region, dealer, and applicable vehicle specific manufacturer incentives which are subject to change. The Manufacturer's Suggested Retail Price ("MSRP") is determined by the manufacturer, and may not reflect the price at which vehicles are generally sold in the dealer's trade area as not all vehicles are sold at MSRP.

**Upfront dealer pricing information and Guaranteed Savings not available in all states. In these states, a Target Price is shown, which is a market-based example of what you can reasonably expect to pay for your vehicle as configured. Your configured vehicle may not be available or in-stock at the Certified Dealer. With Guaranteed Savings, the selected TrueCar Certified Dealer guarantees that you will receive at least a certain, stated minimum savings amount off the base Manufacturer's Suggested Retail Price ("MSRP"), including any vehicle-specific manufacturer incentives that may be currently available. Guaranteed Savings only applies to new, in-stock vehicles at the selected TrueCar Certified Dealers. Incentives subject to certain terms, conditions and restrictions; see your TrueCar Certified Dealer for details.

Neither TrueCar nor American Express brokers, sells or leases motor vehicles. Each Certified Dealer sets its own pricing, and your actual purchase price is negotiated between you and the Certified Dealer. During your enrollment in the benefit, ShopRunner and American Express will verify your benefit eligibility.

Treatment of Existing ShopRunner Memberships.

If you enroll in the benefit and sign up with an existing ShopRunner account, ShopRunner will cancel the term of your existing ShopRunner account.

Spending Limits

When you request that we apply a limit as described below on Charges incurred by an Additional Card Member on your Account, you agree to these terms. These terms supplement, and are incorporated by reference into, the terms of your Card Member Agreement.

At your request, we may agree to apply a limit to the total dollar amount of Purchases, during each billing period, that are charged to Card numbers associated with one or more specified Additional Card Members on your Account. At your request, we may agree to apply a limit to the total dollar amount of cash access transactions at ATMs, during each billing period, that are made using Card numbers associated with one or more specified Additional Card Members on your Account. If we agree to apply a limit, it is not a guarantee that the Additional Card Member will be able to make Purchases or cash access transactions up to the applicable limit. In applying any limit we will not take in to account any credits (such as for returned merchandise or for payments), even if a credit relates to a Purchase made by the Additional Card Member. Any request that we change a limit may not be effective until a subsequent billing period. Any Charges (as defined below) incurred by the Additional Card Member prior to the date during a billing period that we apply the limit will not be subject to the limit for that billing period.

Because of systems or administrative considerations, arrangements with merchants, or for other business reasons, we may, but are not required to, treat some Purchases and/or cash access transactions (collectively, Charges) as not being subject to any such limits. You agree to pay all Charges without regard to whether any Charges exceed a limit, and you agree that we are not liable to you or any other person when a limit is not applied to any Charges and/or when Charges are incurred and billed that exceed a limit. While we typically require merchants to obtain an authorization for purchases and submit final transaction documentation for payment in a timely manner, a limit may not apply or may be exceeded when a merchant does not obtain an authorization for any reason; when a merchant obtains an authorization for a partial amount of the final charge submitted to us for payment; or when such submissions are not submitted or processed at the same time that the authorization is obtained. Examples may include, but are not limited to: Charges made outside of the U.S., in duty-free stores, or on board airplanes or cruise vessels; international airline ticket Purchases; vehicle rentals; lodging stays extended beyond original reservation period; certain mail order Purchases; Purchases billed on a recurring basis;

Purchases at gas stations; telecommunications charges, including charges incurred with calling cards; taxicab charges; security deposits; late, damage or other fees in connection with rentals; Purchases billed in installments; restaurant tips and other gratuities; and Charges that occur before the end of billing period, if the Charge is posted to your Account after the Closing Date of that billing period. Any limit will not be applied to Charges for foreign currency or for travelers cheques or gift cheques obtained other than by telephone from us.

The Spending Limit is optional. If no spending limit is set on the Additional Card, spending capacity on this Card will be subject to the Basic Card Member's account terms and conditions.
