How We Will Calculate Your Balance: We use a method called “average daily balance (including new purchases).”

Payments are allocated to posted balances. If your account has balances with different APRs, we will allocate the amount of your payment equal to the Total Minimum Payment Due to the lowest APR balances first. Payment amounts in excess of your Total Minimum Payment Due will be applied to balances with higher APRs before balances with lower APRs.

¹ Any Direct Deposits completed at the time your application is processed will be Balance Transfers.

² Bank Cash Advances include ATM, Over-the-Counter, Same-Day Online, Overdraft Protection and Cash Equivalent (money orders, foreign currency, and travelers checks from a non-financial institution, person-to-person money transfers, bets, lottery tickets purchased outside the United States, casino gaming chips and bail bonds) Cash Advances.

More Information about Penalty Fees and Penalty APR

Penalty Fees: If your Total Minimum Payment Due is not received by your Payment Due Date, a Late Payment Fee of \$27 will be assessed; \$38 for subsequent occurrences that are within 6 billing cycles of a previous occurrence. However, the Late Payment Fee will not exceed the total minimum payment that was due. If your balance is \$100 or less on the Payment Due Date, we will not assess a Late Payment Fee. The Returned Payment Fee will not exceed the total minimum payment that was due.

Penalty APR: Your Penalty APR will not exceed 29.99% on new transactions. There is no Penalty APR on existing balances.

You will earn base cash rewards of 1% for Net Purchases in excess of \$1,500 in each quarter in the Bonus Categories. Balance Transfers, Cash Advances, including purchases of money orders or other cash equivalents, fees, interest charges, fraudulent transactions and certain other charges do not earn cash rewards. Cash rewards shall be issued for a U.S. dollar sum in the form of a statement credit, a check, or an electronic deposit to a Bank of America checking or savings account, or a contribution to a Merrill Lynch Cash Management Account®. Cash rewards redeemed into a checking or savings account with Bank of America, N.A. or a Merrill Lynch Cash Management Account will be 10% greater than the other types of cash rewards (\$25 in cash rewards = \$27.50 deposit). Overdraft Protection. Overdraft transfers to your eligible Bank of America checking account from your credit card account will be Bank Cash Advances under your Credit Card Agreement. Transfers will be subject to the terms of both your Credit Card Agreement and the account agreement(s) and disclosures governing your Bank of America checking account. If you link your Bank of America checking account to your credit card for Overdraft Protection, we will automatically transfer funds in multiples of \$100 from your credit card account to cover any overdraft on your checking account, as long as the portion of credit available for cash on your credit card account is sufficient and you are not in default under your Credit Card Agreement. A fee of \$12 will apply for each transaction. The fee will not be assessed if your checking account is overdrawn by a total amount less than \$12, after we finish processing for the day. The Bank Cash Advance will accrue interest at the APR stated in your Credit Card Agreement. If the portion of credit available for cash on your credit card account is insufficient to cover the amount required by the overdraft (in the multiple of funds stated above), we may advance the funds even if it causes your credit card account to exceed your Cash Credit Line. Linking Overdraft Protection from your Bank of America checking account to your credit card will end any Overdraft Protection connections to your Bank of America savings account. Please see your Credit Card Agreement for additional details.

BALANCE TRANSFERS

If the total amount you request exceeds your Total Credit Line, we may send full or partial payment to your creditors in the order you provide them to us. Allow at least 2 weeks from account opening for processing. Continue paying each creditor until the transfer appears as a credit. Balance Transfers incur interest charges from the transaction date. If you revolve your balance to take advantage of a promotional or introductory offer, all transactions and balances, including purchases, will be charged interest. The Balance Transfer fee is 3% of the amount of the transaction (min. \$10). If you have a dispute with a creditor and pay that balance by transferring it to your new account, you may lose certain dispute rights. Balance Transfers may not be used to pay off or pay down any account issued by Bank of America, N.A., FIA Card Services, or its affiliates. The information in this offer is updated regularly, but may have changed since the last update.
