Balance Transfers. Here's How it Works: To request a balance transfer please enter the 15/16 digit account number from the MasterCard, Visa, American Express, or Discover Card account that you want us to process a balance transfer to. If the total amount you request exceeds the assigned credit line on your new account, we may either decline the request or send a partial payment to your creditor(s). The amount of available credit on your new account will be reduced by the amount transferred and the related balance transfer fees. We reserve the right to decline to process any requested balance transfer. We will not process a request to transfer a balance from any other account you may have with us. Balance transfers incur interest from the transaction date. You should not transfer the amount of any disputed purchase or other charge. If you do, you may lose your dispute rights.

Upon approval of your application we will process the requested balance transfer payment to the account(s) which you have requested on the 10th day after we've mailed you your card; during this 10 day time period you may cancel your balance transfer by contacting us at the number on

the back of your card. A balance transfer may take up to 4 weeks to post to your other accounts. Continue to pay each creditor until the balance transfer appears on the other account as a credit. If you would like to complete a balance transfer from another account that is not a Visa, MasterCard, American Express or Discover Card account, please call the phone number on the back of your new credit card once you are approved. Balance transfers are subject to availability. We may deny balance transfer requests at any time and for any reason.

Credit Limit: We do not permit applicants to request a specific credit limit. We do not reconsider a request for a balance transfer made with an application to be a request for a particular credit limit. We determine the credit limit on your account independent of and prior to processing any balance transfer request.

Cash Equivalent Purchases: The purchase of money orders, travelers' checks, foreign currency, lottery tickets, gambling chips, wire transfers and other similar transactions are treated as cash advances. Please see your Cardmember Agreement for details.

New York Residents: New York residents may contact the New York State Department of Financial Services by telephone (800) 342-3736, or visit the website, www.dfs.ny.gov, for free information on comparative credit card rates, fees and grace periods.

Notice to Married Wisconsin Residents: No marital property agreement, unilateral statement or court decree under Wisconsin's marital property law will adversely affect our interests unless before your account is opened, you give us a copy of the agreement, statement or decree or we have actual knowledge of it.
